Practicing the Present John Koessler, 2019-06-04 The present is more than a place where the past comes to rest It is more than a staging ground for the future The present is

where God shows up We live our lives in the present but often our minds are racing toward the future or overwhelmed by the past We want to change the past and control the future but usually all we really do is exhaust ourselves in the here and now Writing especially with church leaders in mind Dr John Koessler a former pastor and professor teaches you how to evade the tyranny of past regrets and future plans and meet God right where you are in the present The Life I Now Live Rich S. Brown III, 2023-07-03 J Gresham Machen a pastor and scholar set an example for us one hundred years ago to this day Most famous for his 1923 book *Christianity and Liberalism* Machen fought the good fight of faith at the expense of his own reputation risking it all for the sake of advancing the gospel of Jesus Christ His story encourages us to move forward with the peace of Christ and a heart of faith filled obedience to him who loved us and gave himself for us and to fight the good fight of faith in spite of great odds This discussion guide serves as a companion to *The Life I Now Live* Continuing Machen's Historic Battle for the Gospel *The Life I Now Live* is about defending the Christian Faith in such a critical time in history It is obvious that Deconstructionism and Postmodernism have ravaged the Evangelical Church in America especially over the past two decades So how do men and women like you and I rightly safeguard and serve the Church in such turbulent times *The Life I Now Live* answers this question for us by accentuating the need for discipleship that understands the vital importance of apologetics church history and evangelism Many pastors teachers and ministry leaders feel the need for holistic discipleship that engages the heart and mind They may desire to lead a study on apologetics church history and evangelism but they simply don't know where to begin This discussion guide will help you facilitate crucial conversations regarding the Christian Faith Each chapter contains a brief summary to refresh your memory a set of questions for small group discussion guided prayers and pictures in addition to supplementary texts and resources *The Preacher's Assistant; Or Outlines of Sermons.
