Female Led Relationship Documentary:

In the Crossfire of History Lava Asaad, Fayeza Hasanat, 2022-09-16 In the global south women have and continue to resist multiple forms of structural violence The atrocities committed against Yazidi women by ISIS have been recognized internationally and the Nobel Peace Prize awarded to Nadia Murad in 2018 was a tribute to honor women whose bodies have been battered in the name of race nationality war and religion In the Crossfire of History Women s War Resistance Discourse in the Global South is an edited collection that incorporates literary works testimonies autobiographies women s resistance movements and films that add to the conversation on the resilience of women in the global south The collection focuses on Palestine Kashmir Syria Kurdistan Congo Argentina Central America Sri Lanka and Bangladesh The essays question historical accuracy and politics of representation that usually undermine women s role during conflict and they reevaluate how women participated challenged sacrificed and vehemently opposed war discourses that erase women s role in shaping resistance movements The transformative mode of these examples expands the definition of heroism and defiance To prevent these types of heroism from slipping into the abyss of history this collection brings forth and celebrates women s fortitude in conflict zones In the Crossfire of History shines a light on women across the globe who are resisting the sociopolitical and economic injustices in their nation states

Latin American Women Filmmakers Deborah Martin, Deborah Shaw, 2017-03-23 Latin American women filmmakers have achieved unprecedented international prominence in recent years Notably political in their approach figures such as Lucrecia Martel Claudia Llosa and Bertha Navarro have created innovative and often challenging films enjoying global acclaim from critics and festival audiences alike They undeniably mark a moment for Latin American cinema Bringing together distinguished scholars in the field and prefaced by B Ruby Rich this is a much needed account and analysis of the rise of female led film in Latin America Chapters detail the collaboration that characterises Latin American women s filmmaking in many ways distinct from the largely Third Cinema auteurism from the region as well as the transnational production contexts unique aesthetics and socio political landscape of the key industry figures Through close attention to the particular features of national film cultures from women s documentary filmmaking in Chile to comedic critique in Brazil and from US Latina screen culture to the burgeoning popularity of Peruvian film this timely study demonstrates the remarkable possibilities for film in the region This book will allow scholars and students of Latin American cinema and culture as well as industry professionals a deeper understanding of the emergence and impact of the filmmakers and their work which has particular relevance for contemporary debates on feminism

Activism and Post-Activism Jihoon Kim, 2024 Activism and Post activism Korean Documentary Cinema 1981 2022 is a new book about South Korean cinema in the private and independent sectors from the early 1980s to the present day Drawing on the methodologies of documentary studies Korean studies and local documentary discourse author Jihoon Kim argues that what is unique about this forty year history of South Korean documentary cinema is the intensive and compressed coevolution of activism aspiring to advocate

democracy progressiveness and equality through alternative media and post activist experiments in documentary forms and aesthetics in the service of renewing the activist tradition *Blue-Collar Pop Culture* M. Keith Booker,2012-03-09 From television film and music to sports comics and everyday life this book provides a comprehensive view of working class culture in America The terms blue collar and working class remain incredibly vague in the United States especially in pop culture where they are used to express and connote different things at different times Interestingly most Americans are in reality members of the working class even if they do not necessarily think of themselves that way Perhaps the popularity of many cultural phenomena focused on the working class can be explained in this way we are endlessly fascinated by ourselves *Blue Collar Pop Culture From NASCAR to Jersey Shore* provides a sophisticated accessible and entertaining examination of the intersection between American popular culture and working class life in America Covering topics as diverse as the attacks of September 11th union loyalties religion trailer parks professional wrestling and Elvis Presley the essays in this two volume work will appeal to general readers and be valuable to scholars and students studying American popular culture *True Crime* Ian Cummins,Martin King,Louise Wattis,2025-10-21 True crime is a huge cultural industry media organisations use crime stories to push sales and clicks Yet behind this phenomenon lies the real life victims and a disconnect between the representation of violent crime and its reality This book is a go to guide for students and researchers in understanding the development of this phenomenon and its social and cultural impacts Through case studies including Lucy Letby the Yorkshire Ripper and Fred and Rosemary West the book considers true crime s ethical implications and its wider influence on crime and punishment ***Discipline and Desire*** Elise Morrison,2016-10-12 *Discipline and Desire* examines how surveillance technologies when placed within the frames of theater and performance can be used to critique and reimagine the politics of surveillance in everyday life The book explores how rapidly proliferating surveillance technologies including drones CCTV cameras GPS tracking systems medical surveillance equipment and facial recognition software can be repurposed through performance to become technologies of ethical witnessing critique and action While the subject of surveillance continues to provoke fascination and debate in mainstream media and academia opportunities to critically reflect upon and more importantly to imagine alternative creative responses to living in a rapidly expanding surveillance society have been harder to find Author Elise Morrison argues that such opportunities are being created through the growing genre of surveillance art and performance defined as works that centrally employ technologies and techniques of surveillance to create theater installation and performance art Introducing readers to a broad range of surveillance art works including the work of artists and activists such as *Surveillance Camera Players* Jill Magid *Steve Mann* *Hasan Elahi* *Wafaa Bilal* *Blast Theory* *Electronic Disturbance Theater* *George Brant Janet Cardiff* *Mona Hatoum* and *Zach Blas* *Discipline and Desire* provides a practical and analytical framework that can aid the diverse pursuits of new media arts practitioners performance scholars activists and hobbyists interested in critical and creative uses of surveillance technologies **British National Film & Video**
