Come Home Alive Mari D. Martin,2021-04-12 For twenty years God has been leading guiding and preparing author Mari D Martin to walk alongside her husband Chris through a throat cancer diagnosis the treatment of that cancer the recovery from the side effects of the treatments and then through rehabilitation to return to what will be his new normal In *Come Home Alive* Mari shares the oftentimes tender story of their six part plan to come home alive She narrates how the couple used their twenty four years as Kolbe Certified consultants to practice what they taught consulted and coached others regarding self awareness strengths identification communication needs role alignment and the environment each person needs to thrive For Chris to thrive again he needed to heal and for him to heal he needed to be in an environment that allowed him to thrive

Come Home Alive tells how Mari's role as caregiver was to stay true to herself while also being the hands and feet to recognize, minimize and complete the tasks and requirements. Chris naturally resisted. Their plan, rooted in faith and hope, started with daily time together in prayer and belief in the healing power of God. It ended with a practice of thankfulness and expecting a miracle. What they did together in the middle is one you can do too through greater awareness of each other's strengths, how to work together and be a team with the knowledge and wisdom to come home alive. **When Christ Comes**

Max Lucado, 2014-01-07 Life with no end. Space with no bounds. And what about Armageddon? The Lake of Fire. The Mark of the Beast. Are we supposed to feel good about all this? When we wonder about these things, we aren't alone. There is much about the end of history we don't understand. But while thoughts on the final day will stir our questions, they needn't stir our fears. Regarding that day, Jesus urged, "Don't let your hearts be troubled. Trust in God and trust in me." John 14:1. Max Lucado believes the day Christ comes will be the beginning of the very best. And our primary task is to be prepared and peaceful while we wait. If we have some questions about the end of time. If we have concerns about what will happen to us. If we want to look to the end of times as a source of comfort and not chaos. Then this is the book we need. New York Times best-selling author Max Lucado walks us through Scripture to find peace in the present and hope for the hereafter. *Second Chances*

Max Lucado, 2013-03-04 We humans are prone to failure. We're experts at muddying, mixing and messing up our lives. Who among us hasn't looked up from the bottom of a pit and realized he dug it himself? Who hasn't fallen so far, messed up so badly that she thought there was no hope? And it's at these low points that we crave reminders that there's hope for the broken. No reminder is quite as poignant as a story of second chances. A story of grace in action. Who couldn't use more stories of grace like this? *Second Chances* releases just in time for Easter promotions and is an ideal companion to *GRACE More Than We Deserve*. Greater Than We Imagine. Filled with biblical, contemporary and imaginative accounts of God's grace in action, pulled from Max's previously published works, *Second Chances* includes tales of second chances for the rebellious, prideful, failure-prone and more. From Peter to King David to a prodigal daughter, these stories will remind readers of the magnitude of the gospel of second chances. *A Love Worth Giving*

Max Lucado, 2009-09 Pointing out that we must love one another, Lucado issues an impassioned plea to accept God's love in order to truly, unselfishly, wholeheartedly love another. **Fearless**
