Tax, Public Finance, and the Rule of Law Dominic de Cogan, Alexis Brassey, May Hen, 2025-02-20 This book offers a key point of reference for reflective and thoughtful examinations of the rule of law in tax and related disciplines It features a stellar cast of established and early career researchers from a variety of jurisdictions who have entered into conversations about the nature of the rule of law its relevance to questions about tax welfare distribution and public spending and the challenges involved in applying legal standards in these fields There is a particular focus on the interaction between the rule of law and the rapidly emerging world of cross border tax avoidance reforms influenced by the OECD s Base Erosion and Profits Shifting project and the evolution of EU level governance over direct as well as indirect taxes The book is accessible to those new to taxation and public finance as well as to experts and to lawyers and non lawyers alike

Deluded Simon/ Kwak Johnson (James),
Prentice Hall's Federal Taxation, 2008 **White House Burning** Simon Johnson, 2013-02-12 From the authors of the national bestseller *13 Bankers* a chilling account of America s unprecedented debt crisis how it came to pass why it threatens to topple the nation as a superpower and what needs to be done about it With bracing clarity *White House Burning* explains why the national debt matters to your everyday life Simon Johnson and James Kwak describe how the government has been able to pay off its debt in the past even after the massive deficits incurred as a result of World War II and analyze why this is near impossible today They closely examine among other factors macroeconomic shifts of the 1970s Reaganism and the rise of conservatism and demographic changes that led to the growth of major and extremely popular social insurance programs What is unquestionably clear is how recent financial turmoil exacerbated the debt crisis while creating a political climate in which it is even more difficult to solve

Preventing Treaty Abuse Daniel Blum, Markus Seiler, 2016-09-19 Analysis of notion roots und measures of treaty abuse The OECD initiative on Base Erosion and Profit Shifting has put the issue of treaty abuse and the means to counter it on top of the global political agenda Preventing treaty abuse is therefore currently one of the most debated topics in international tax law Diverging national legal traditions in combatting abuse both under domestic and tax treaty law have led to a globally diversified legal framework in this respect

and make the OECD's agenda to harmonize these attempts even more challenging. The aim of this book is to analyze the notion of treaty abuse, its historical roots, and the measures to counter it. The book's topics cover a wide range of both policy and legal issues. The contributions' main focus lies on analyzing the proposals put forward by the OECD in BEPS action items 6 and 7. In addition, this book analyzes the lessons which can be learnt from the US tax treaty policy and elaborates on the effects the intensified fight against treaty abuse will have from a Non-OECD member state perspective. Also, EU law is taken into account, and the question raised which impact the fundamental freedoms might have on the development of new anti-avoidance rules. Finally, the relation between domestic and treaty-based anti-avoidance is analyzed in great detail, identifying the methodical problems of ensuring a sound and abuse-safe legal framework. With this book, the authors and editors hope to contribute to the discussion on selected issues of preventing treaty abuse and the challenges they present to policy makers, judges, tax administrations, and tax advisers.

Climate Change Law and Policy in the Middle East and North Africa Region
Damilola S. Olawuyi, 2021-07-28. Climate Change Law and Policy in the Middle East and North Africa Region provides an in-depth and authoritative examination of the guiding principles of climate change law and policy in the MENA region. This volume introduces readers to the latest developments in the regulation of climate change across the region, including the applicable legislation, institutions, and key legal innovations in climate change financing, infrastructure development, and education. It outlines participatory and bottom-up legal strategies focusing on transparency, accountability, gender justice, and other human rights safeguards needed to achieve greater coherence and coordination in the design, approval, financing, and implementation of climate response projects across the region. With contributions from a range of experts in the field, the collection reflects on how MENA countries can advance existing national strategies around climate change, green economy, and low-carbon futures through clear and comprehensive legislation. Taking an international and comparative approach, this book will be of great interest to students, scholars, and practitioners who work in the areas of climate change, environmental law, and policy, and sustainable development, particularly in relation to the MENA region.

Well Versed James L. Garlow, 2016-07-05. I believe that the Bible speaks not merely to personal family and church issues but to national community and governmental issues if we would take the time to listen. James L. Garlow. Conservative Christians admit that they do not speak out on political or cultural issues because they do not know how to support their beliefs from a biblical basis according to a recent poll. Instead, they remain silent on critical issues like marriage, racism, and transgender issues because they feel uninformed and ill-equipped to defend their beliefs. New York Times bestselling author and pastor James L. Garlow offers the solution: a practical biblical guide for the 21st-century Christian. Well Versed: Biblical Answers to Today's Tough Issues. ISBN 978-1-62157-550-4. 149 pp. June 2016. Informs and prepares readers to tackle the important issues of the day and engage with those around them in a loving, Scripturally based manner. In Well Versed, readers will learn biblical responses to Religion in the Public Square, Purpose of Government, the First Amendment, and Political Correctness, Family and Life Issues, Marriage
