## **Audience Profile**

A core-level candidate for the Microsoft Excel 2013 exam should have a fundamental understanding of the Excel environment and the ability to complete tasks independently. They should know and demonstrate the correct application of the principal features of Excel 2013. These candidates should be able to create and edit a workbook with multiple sheets for a variety of purposes and situations. Examples include professional-looking budgets, team performance charts, sales invoices, and exercise logs. Candidate roles might include students, clerical workers, bookkeepers, instructors, and others.

## **Skills Measured**

NOTE: The bullets that appear below each of the skills measured are intended to illustrate how we are assessing that skill. This list is not definitive or exhaustive.

NOTE: In most cases, exams do NOT cover preview features, and some features will only be added to an exam when they are GA (General Availability).
