Evangelical Futures A Conversation On Theological Method:

Evangelical Futures John Gordon Stackhouse, 2000 All the contributors to this project agree that evangelical theology needs to attend to dimensions of its task beyond the question of the nature and interpretation of the Bible We hope that these essays will be worthwhile in both affirming our evangelical common ground as a distinctive tradition in contemporary theology and provoking us all to develop that tradition more carefully and creatively to meet the needs of our time from the preface

Re-Envisioning Transformation David C. Scott, 2018-09-14 In today's church use of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed

Re-Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God's people toward the need to express and live out a distinctly Christian vision

Congregational Hermeneutics Andrew P. Rogers, 2016-05-20 Despite many churches claiming that the Bible is highly significant for their doctrine and practice questions about how we read the Bible are rarely made explicit Based on ethnographic research in English churches *Congregational Hermeneutics* explores this dissonance and moves beyond descriptions to propose ways of enriching hermeneutical practices in congregations Characterised as hermeneutical apprenticeship this is not just a matter of learning certain skills but of cultivating hermeneutical virtues such as faithfulness community humility confidence and courage These virtues are given substance through looking at four broad themes that emerge from the analysis of congregational hermeneutics tradition practices epistemology and mediation Concluding with what hermeneutical apprenticeship might look like in practice this book is constructively theological about what churches actually do with the Bible and will be of interest to scholars students and practitioners

Evangelicals & Scripture

Vincent E. Bacote, Laura Miguez Quay, Dennis L. Okholm, 2009-08-20 Vincent Bacote Laura C Miguez and Dennis L Okholm present twelve essays that explore in depth the meaning of an evangelical doctrine of Scripture that takes seriously both the human and divine dimensions of the Bible

Revisioning, Renewing, Rediscovering the Triune Center Derek J. Tidball, Brian S. Harris, Dr Jason S Sexton, 2014-11-10 An international cast of theologians come together in this volume to offer essays in tribute to the late Stanley J Grenz one of the leading theologians of his generation Accordingly the volume includes timely explorations in some of the most exciting areas in contemporary theology It is only fitting that these very explorations revolve around the key motifs of Grenz's theology Trinity community eschatology and the key sources from which he drew for

theology's construction Scripture tradition culture While engaging key features seen in Grenz's work some of the essays here interact with Grenz's own writings reflecting on his theological journey and his contributions to evangelical theology In these ways this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stan Grenz was a leading proponent *Revisioning Renewing Rediscovering the Triune Center* then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology

The Pastor Theologian Gerald Hiestand, Todd A. Wilson, 2015-06-23 Pastoral ministry today is often ruled by an emphasis on short sighted goals pragmatic results and shallow thinking Unfortunately those in the academy tend to have the opposite problem failing to connect theological study to the pressing issues facing the church today Contemporary evangelicalism has lost sight of the inherent connection between pastoral leadership and theology This results in theologically anemic churches and ecclesial anemic theologies Todd Wilson and Gerald Hiestand contend that among a younger generation of evangelical pastors and theologians there is a growing appreciation for the native connection between theology and pastoral ministry At the heart of this recovery of a theological vision for ministry is the re emergence of the role of the pastor theologian The Pastor Theologian presents a taxonomy of the pastor theologian and shows how individual pastors given their unique calling and gift set can best embody this age old vocation in the 21st century They present three models that combine theological study and practical ministry to the church The Local Theologian a pastor theologian who ably services the theological needs of a local congregation The Popular Theologian a pastor theologian who writes theology to a wider lay audience The Ecclesial Theologian a pastor theologian who writes theology to other theologians and scholars Raising the banner for the pastor as theologian this book invites the emerging generation of theologians and pastors to reimagine the pastoral vocation along theological lines and to identify with one of the above models of the pastor theologian

Spirit and Scripture Kevin L. Spawn, Archie T. Wright, 2011-11-10 This book considers the academic treatment of biblical interpretation in the renewal movement the fastest growing tradition in Christendom today The initial chapter surveys the history of biblical interpretation in the renewal tradition and provides a conceptual basis for the book In Part II six renewal scholars outline a proposal for the future of biblical hermeneutics in the tradition These authors address certain key questions What is the role of the Holy Spirit in biblical interpretation What are the distinctive presuppositions methods and goals of renewal biblical hermeneutics Three prominent biblical scholars Craig G Bartholomew James D G Dunn R Walter L Moberly respond to the proposals outlined above These critical responses deepen the examination of renewal biblical hermeneutics as well as increase its appeal to biblical and theological scholars in general The final chapter offers a synthesis and evaluation of the accomplishments of the discussion as well as an assessment of the state of the discipline with an eye toward the future

The Merging of Theology and Spirituality Larry S. McDonald, 2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience

Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath s theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath s previous work and the writing of other evangelicals *The Merging of Theology and Spirituality* offers an overview of a unique thinker s contributions and a guide for future theological and spiritual exploration

American Baptist Quarterly ,2003 **Renewing the Center** Stanley James Grenz,2006 The second edition of this important foundational text for the emerging church includes a new foreword by Biran McLaren and a new afterword from John Franke updating the book for the contemporary church scene The Publishers Weekly ,2000 Alister E. McGrath and Evangelical Theology Sung Wook Chung,2003 Alister McGrath is one of the premier evangelical theologians of our day In this book leading evangelical scholars including Gabriel Fackre John Frame William Abraham Gerald Bray and Clark Pinnock use McGrath s work as a lens through which to offer a contemporary assessment of evangelical theology The volume sets McGrath in context and argues that a dynamic brand of evangelical theology such as what his thinking represents is necessary for the evangelical wing of the church to be *semper reformanda* always reforming Chapters focus on the essence identity strengths weaknesses and future of evangelical theology offering a snapshot of a movement in transition *The Evangelical Moment* Kenneth J. Collins,2005 Offers a new interpretation of the evangelical story and articulates an ecumenical vision for evangelism *The Younger Evangelicals* Robert E. Webber,2002-10-01 Robert E Webber has led worship workshops in every major city in the United States and Canada Through his conversations and contacts with a network of emerging church leaders he calls the younger evangelicals Webber sees how this new generation and their style of leadership is bringing change and renewal to the evangelical church These leaders who include those young in spirit as well as young in age have important insights to offer all generations faced with doing church in a rapidly changing postmodern culture *The Younger Evangelicals* explores the characteristics of these emerging leaders and provides an outlet for their stories Beginning with a brief overview of twentieth century evangelicalism Webber examines what is different about the twenty first century younger evangelicals way of thinking about faith and practicing church He allows them Ph D s and laypeople to speak in their own words on issues such as communication theology apologetics pastoral leadership evangelism worship and spiritual formation Thought provoking energizing and timely *The Younger Evangelicals* is a landmark book for pastors and church leaders culture watchers ministry students and worship leaders who want to prepare for and respond to the new evangelical awakening brought on by our changing cultural context Andrews University Seminary Studies Andrews University. Seventh-Day Adventist Theological Seminary,2007 *Pro Ecclesia* ,2003 Reading Karl Barth Kurt Anders Richardson,2004 Provides an assessment of Karl Barth s influence and proposes how his work can be used as a guide for contemporary theology *The Old Testament in the Life of God's People* E. A. Martens,2009 This book

celebrates the contributions to Old Testament theology of Elmer A Martens President and Professor of Old Testament at Mennonite Brethren Biblical Seminary Fresno California both positions now Emeritus It includes 3 essays written by Martens himself as well as 15 others written by his former students colleagues friends and even one of his professors The essays are clustered around three topics Christians use of the Old Testament aligning God s people with God s call for justice and addressing the issue of land in the life of God s people each of which reflects an area of special interest to Martens A biographical sketch a list of the honoree s varied publications and indexes are included Martens has had a productive career as teacher author and preacher a career spanning almost six decades and five continents After 40 years of seminary teaching Elmer is known to many as professor He taught his signature class Old Testament theology from 1968 to 2004 at Mennonite Brethren Biblical Seminary shaping an entire generation of preachers and Bible teachers His Old Testament theology textbook God s Design now in its third edition continues to be used at the seminary as well as in translation in numerous other schools around the world The Divine Voice Stephen H. Webb,2004 Makes the bold claim that the rhetorical skills of public speaking are essential to all Christian witness *Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur* ,2004
