Happily Ever After Abigail Goertzen, 2024 This is an excerpt of a Cinderella novel It's the story of Eleanor and her mouse friend Nibbles Eleanor has hidden her ability to talk to animals from her family all her life She wants to become queen to get revenge on her tormentors but she doesn't want to leave the man she loves to do it Nibbles wants to protect both Eleanor and his family and sometimes those things come in conflict with each other He enlists the help of the other animals to murder Eleanor's family so she can remain on the estate Provided by author *End of Ever After* E. L. Tenenbaum, 2018-08-28 It's been five years and everything's falling apart Now Ella looks back on her fairytale rise from soot-stained Cinderwench to the queen the people call Cinderella Ignored and humiliated all her life she never could believe her good fortune in marrying such a handsome Prince Charming She never either expected what was to follow not the betrayal not the lies not the backstabbing ever after Ella is desperate to figure out how despite her best intentions everything went so horribly wrong and what if anything she can do to get back her happy ending *All the Ever Afters* Danielle Teller, 2018-05-22 In the vein of *Wicked* *The Woodcutter* and *Boy Snow Bird* a luminous reimagining of a classic tale told from the perspective of Agnes Cinderella's evil stepmother We all know the story of Cinderella Or do we As rumors about the cruel upbringing of beautiful newlywed Princess Cinderella roil the kingdom her stepmother Agnes who knows all too well about hardship privately records the true story A peasant born into serfdom Agnes is separated from her family and forced into servitude as a laundress's apprentice when she is only ten years old Using her wits and ingenuity she escapes her tyrannical matron and makes her way toward a hopeful future When teenaged Agnes is seduced by an older man and becomes pregnant she is transformed by love for her child Once again left penniless Agnes has no choice but to return to servitude at the manor she thought she had left behind Her new position is nursemaid to Ella an otherworldly infant She struggles to love the child who in time becomes her stepdaughter and eventually the celebrated princess who embodies everyone's unattainable fantasies The story of their relationship reveals that nothing is what it seems that beauty is not always desirable and that love can take on many guises Lyrically told emotionally evocative and brilliantly perceptive *All the Ever Afters* explores the hidden complexities that lie beneath classic tales of good and evil all the while showing us that how we confront adversity reveals a more profound and ultimately more important truth than the ideal of happily ever after *Endlessly Ever After* Laurel Snyder, 2022 In this rhyming mash up of many fairy tales the reader is invited to follow Rosie down the many possible paths which may lead to a sleeping maiden a hungry wolf a girl locked in a tower or a goose that lays golden eggs but with some luck and some smart choices Rosie may save herself and her fellow fairy tale characters *Cinderella - A Retelling with*

Strength and Courage Lisa Shea, 69 pages Cinderella made a vow to her mother before her mother tragically passed away on midwinter s day Ella swore to watch over her father and care for him But then her father married anew Her stepmother and two stepsisters took sharp delight in causing Ella grief from morn to eve They bullied her called her Cinderella and treated her as little more than a slave in her own home It took all of Ella s courage to swallow the insults and to honor her word Now the crown prince has returned home from the battlefield a ball is announced to celebrate his arrival All eligible young women from the entire kingdom are invited to attend Ella has but one desire left She wishes to see the king s gardens one last time before she leaves home It will be a final way to commemorate her beloved mother before counting her vow s terms as complete She has no idea what awaits her on that arched stone bridge Cinderella A Retelling with Strength and Courage is Book 1 of a gently cliff hangered short story series The series honors the original intention of the Grimm Fairy Tales to present women of strength and courage tackling challenges which seem insurmountable With each new book a new heroine is interwoven into the story The series sequence leads through five books up to a happily ever after ending The series is clean romance and is suitable for teens and up Readers have the option to read each tale one by one or to get the complete set which contains all five tales As fairy tales are so integral to so many young lives it was critical for me to do my very best to present each heroine in a way which honored her strength and showcased her ability to stand on her own It took me over five years to craft this series I feel strongly that no woman should ever sit around waiting for a man to rescue them Women should not endure abusive behavior in the hopes that a man will change or magically become a prince Be the change you wish to see in the world I have a library of over 450 books running the gamut from medieval romance to cozy mystery from mythology to fairy tale to Biblical retellings I support battered women s shelters Feel free to contact me with any questions
