Ever Young James Barnor:

Ever Young James Barnor, Autograph (Organization), 2010 Ever Young James Barnor, 2015-10-01 Ce beau livre est le premier ouvrage de ce grand photographe qui a eu un rôle de pionnier dans la photographie africaine. Il rassemble la partie incontournable de son œuvre travers 30 ans d'images en couleur et en noir et blanc environ 200 photographies tirées par des techniques développées par James Barnor ainsi que plusieurs textes parmi lesquels une interview menée par Margaret Busby et Francis Hodgson. Deux figures de l'art complètent de leurs articles cet ouvrage Renée Mussai conservatrice chez Autograph ABP qui dirige l'œuvre de James Barnor depuis 2009 et Kobena Mercer professeur à l'Université de Yale The Moving Word Leslie James, Senior Lecturer in Global History Leslie James, 2025-12-16 In the 1930s and 1940s Caribbean and West African newspapers nurtured anticolonial movements through experimental reporting. But as press professionalism became a proxy for a colony's capacity to self-govern in the 1950s papers standardized and intellectual debates about racism and colonialism disappeared from their pages **The Future is Now** Vanessa K. Valdés, 2012-01-17 The Future is Now: A New Look at African Diaspora Studies is an exciting collection of essays representative of new voices in this ever-expanding field. Writing in English, Spanish, French, and Haitian Creole, the volume's contributors look at the fields of art, literature, film, and music. From the Hispanophone Francophone and Anglophone Caribbean to the United States and Europe, the scholars here interrogate themes of memory, power, gender, identity, race, and religion. In so doing, they uncover forgotten episodes of history previously lost to hegemonic tellings of the past. Here, readers will find studies on Haitian documentary, Puerto Rican art, Trinidadian calypso, Colombian poetry, the African American novel, and African photography and collage. The Future Is Now serves as a celebration of the contributions made by peoples of African descent, providing a glimpse at the breadth of cultural offerings to be found throughout the African Diaspora in the Americas and Europe **Black Matrilineage, Photography, and Representation** Lesly Deschler Canossi, Zoraida Lopez-Diago, 2022-10-03 Black Matrilineage: Photography and Representation: Another Way of Knowing questions how the Black female body, specifically the Black maternal body, navigates interlocking structures that place a false narrative on her body and that of her maternal ancestors. This volume, which includes a curated selection of images, addresses the complicated relationship between Blackness and photography and, in particular, its gendered dimension, its relationship to health, sexuality, and digital culture, primarily in the context of racialized heteronormativity. With over forty contributors, this volume draws on scholarly inquiry ranging from academic essays, interviews, poetry, to documentary practice and on contemporary art. Black Matrilineage: Photography and Representation: Another Way of Knowing thus offers a cross-section of analysis on the topic of Black motherhood, mothering, and the participation of photography in the process. This collection challenges racist images and discourses both historically and in its persistence in contemporary society while reclaiming the innate brilliance of Black women through personal narratives, political acts, connections to place, moments of pleasure, and communal celebration. It serves as a reflection of the past, a

portal to the future and contributes to recent scholarship on the complexities of Black life and Black joy *The African Lookbook* Catherine E.
