HAMIS KIGGUNDU , 2018-06-30 Man is successfully born with nothing but life In life we

all desire to have a good life and to become successful men and women Unless born in success like Kings Queens Princes and Princesses for most of us this journey comes with a lot of challenges and hardships However from my personal opinion which is a realistic and reasonable point of view success starts with you as a person and requires you to have a reasonable thinking capacity a plan and strategy personal responsibility focus and vision consistence and patience good listening skills choice of good company ability to take risks in life forgiving and forgetting courage and determination in all you do a good supportive family a socially politically economically well organised society with the right prevailing conditions to enable one succeed in life Lastly we need GOD S BLESSINGS in all that we do Success never comes cheaply even the holy Quran says man shall feed off his sweat **Beyond Success Failure** W.and m.beecher,1979-12-03 **Failure Vs. Success** Jerry

Marcozzi,2009-08 Failure vs Success Now that this book is finally in print I have given much thought as to why I ever compiled it in the first place And then it struck me this book represents the format that my own life has taken first failures and then ultimately successes Born the child of impoverished poorly educated immigrant parents who clawed their way through the great depression World War II my life seemed to have no reason for greatness My four years of U S Navy Service during the Korean War repaid me with the GI bill and the opportunity to get a college education Thereafter my career as a life insurance agent began with many ups downs caused by a lack of self confidence and a belief that my life was simply ordinary and not really destined for achievement The work ethic instilled in me from birth kept me ever going forward but I never thought about success my career was just a job and nothing more But as I kept trying I became increasingly better at it I began spending lots more money on my career education learning everything available about life insurance People I met inspired me and I began living the life described in my book As I gained maturity education and experience I kept records of my achievements and one day I realized I had accomplished the tenets in this book and I suddenly realized I had become successful How did it happen Lots of education lots of hard work maturity self confidence learning my product backwards forward how to use it how to sell it and how to love it surpassing other agents who leveled off in their behavior knowledge I constantly put into practice everything I learned I grew grew until I really became the success I never dreamed was possible But it was possible First I had to learn it feel it and become it and then it happened for me just as it will happen for you if you REALLY want it And that s why I wrote this book for you Jerry Marcozzi **Beyond Success Failure** Willard

Beecher,Marguerite Beecher,1977-11-03 **Beyond Success Failure** W.and m.beecher,1971-07 Failure is a Choice Dr John McElhaney,2018-10-23 How many people go through life as a failure because they think success is not something they can attain or something people must be born with Whether you are successful or not depends entirely up to you When you use what is available to you there is no end to what you can achieve Don t let anyone steal your dream Most people you know are never going to be successful and don t want you to become successful that is why you must surround yourself with successful people Stay away from the people who are always telling you why you can t do something Look at them and see if
