*Losing Control & Liking it* Timothy L. Sanford, 2008-12-22 It's been drummed into parents' heads that they have to make their kids turn out right Sanford shows parents how to give up the fears about their teenager's future and discover the truth about how God parents his children

*The Art of Parenting Teenagers* Susie Harper, 2015-08-26 Are you pulling your hair out with your teenage son or daughter Maybe your child isn't quite there yet but you're trying to get a head start and find out more about parenting teenage girls or parenting teenage boys Susie Harper has been through this charming phase of parenting 3 times is charming the right word and she also has a background as a registered child care professional This Complete Guide to Parenting Teens with Love and Logic uses proven methods from the authors' family study and work experience to give you an invaluable book which can make your job as the parent of a teenager easier and much more rewarding With this book you will learn about The Art of Letting Go Teaching your teen to control their destiny Inspiring your teenager to reach for the stars Focusing on responsibility Choosing your battles Holding on to your humour The Art of Connection Boundaries When your teen's world doesn't include you Never underestimate your influence The power of positive attention The art of consistency How to Deal with Rejection Neglect and Criticism from Your Teen Revisiting the Terrible Threes Your Toddler on Hormones What Type Of Parenting Style Describes You And much much more Susie Harper writes in a style which is easy to follow and understand and you'll be able to put into practise everything in this book whenever you want If you want a great guide in parenting young adults then this is the book for you

**Screens and Teens** Kathy Koch, 2015-02-18 Teens often look to their digital tools to make them happy when you set boundaries or take them away they feel frustrated and incomplete Unhealthy habits formed in this stage of life easily carry over into adulthood and addictions to technology make other addictions more likely Screens and Teens applauds the good aspects of the digital age but also alerts parents to how technology contributes to self-centered character negative behaviors and beliefs that inhibit spiritual growth prescribing manageable solutions regardless of the level of their teen's involvement Unmasking the lies teenagers tend to believe like I must have choices the book majors on truth acknowledging that Truth alone brings contentment freedom and success

*The Approximate Parent* Michael Y. Simon, 2012-08-15 Written in a smart funny and friendly tone The Approximate Parent Discovering the Strategies That Work with Your Teenager helps you translate what your teen thinks feels and does to give you practical ways of supporting your teen from adolescence into adulthood Learn to strategize wisely taking into account both the current American culture of adolescents and your particular teen's biology temperament and developmental challenges This highly accessible book is informed by the latest research on adolescent development effects of digital media on youth and identity formation relationships sexuality and trends in drug and alcohol use drawing on work in such diverse fields as clinical psychology cognitive neuroscience epigenetics sociology anthropology philosophy and religious studies Michael Simon uses his 25 years of work with teens as a psychotherapist school counselor

and parent to help make your job easier as a parent educator or health professional      Connect with Your Teenager Leonida Mrgole, 2017-04-18 This is a book for all parents It serves as a complete guide for long term positive parenting of teenagers or even younger children It is written for parents as users in everyday situations from the perspective of their teenagers needs In the book you will find very practical parenting tips for when you don t know how to deal with teenagers how to make kids listen how to motivate teens how to renew broken bonds etc You will learn about your part of responsibility in your relationship and how to gain parental power The second part guides you through typical everyday examples and simple innovative parental tips on how to keep the connection with your teenager and create responses so that you can support the safe and healthy development of your child It can serve as your personalized book with your own important notes We wrote the book thinking about and remembering all the people we had met at our consultations who had struggled with how to deal with problems with their teens The book is for everyone who at a certain point in their life felt like they aren t equipped with appropriate experience they grew up in different times or cultural situations and aren t sure how to adjust most of us did they stopped participating actively and thoughtfully in parenting because they were excluded from or encountered disagreements in their partnership giving up because of feeling powerless they have no support from their partner they don t know what to do because they had already used up all their ideas However this book can also be useful for single parents teachers who haven t necessarily had experience with their own teens parents of younger children who will soon enough become teens helping prepare us in advance This book will give you the willpower and a reason to begin tackling your problems as well as the power to be patient Our teens are always smart Don t forget that in this period they are the only smart beings in the house at least that s what they think They have answers to everything and lots of words power and energy Parents usually fall silent powerless because we struggle to find the right words in the heat of the moment This book is a genuine warehouse of pacifying ammunition in the form of words and ways how to use these words in a non conflictive but assertive manner This book may be used in several ways When writing we were guided by the principle that parents should be able to use this book in practice It provides you with two options of reading 1 You can start at the beginning and follow the step by step path to self growth 2 The book is divided into sections so you can easily find and resolve the problem at hand Our focus in the book is on the awareness of your role as parents When thinking about changes they should be oriented towards the notion of how we could change ourselves as parents not how we stay the same and force our children to change      *Smart Parenting* C. K. Murray, 2018-07-08 We live in hectic times Our kids especially Today more than ever thanks to a million and one technologies attention spans are shorter expectations are higher and our developing teens are exposed to more sheer stimuli than ever before Simply put modern life is wild And now you have to tame it For you and for the ones that matter most Smart Parenting includes Why this teenager parenting book is different Who is the modern teen How different is the modern teen Communicating with the modern teen Establishing and sustaining trust with your teenager

Setting boundaries that you and your teen can respect Managing sexual attitudes and behaviors Discussing serious issues with your teen Promoting teenage self esteem Preventing teen depression And much much more GRAB YOUR COPY TODAY
