The Comprehensive Guide to Careers in Sports Glenn M. Wong, 2013 Provides an overview of what students should consider and expect from the varied career options available to them in the sports industry This book answers the questions students are most likely to have including what courses they should take the areas of study available to them the salary they can expect to earn after graduation and how they can get the job of their dreams This essential guide will help increase students likelihood of finding careers in the highly competitive sports industry College Sports Inc. Frank P. Jozsa Jr., 2012-10-24 For several decades in America athletic programs in colleges and universities received financial support and resources primarily from their respective schools and such sources as alumni and the National Collegiate Athletic Association NCAA More recently however college coaches assigned to athletic departments and the presidents and marketing or public relations officials of schools organize initiate and participate in fund raising campaigns and thus obtain a portion of revenue for their sports programs from local regional and national businesses and from other private donors groups and organizations Because of this inflow of assets and financial capital intercollegiate athletic budgets and types of sports expanded and in turn these programs became increasingly important popular and reputable as revenue and cost centers within American schools of higher education **Tobacco Goes to College** Elizabeth Crisp Crawford, 2014-03-13 This is the first book to document the history of cigarette advertising on college and university campuses From the 1920s to the 1960s such advertisers had a strong financial grip on student media and thus a degree of financial power over colleges and universities across the nation The tobacco industry s strength was so great many doubted whether student newspapers and other campus media could survive without them When the Tobacco Institute the organization that governed the industry decided to pull their advertising in June of 1963 nearly 2 000 student publications needed to recover up to 50 percent of their newly lost revenue Although student newspapers are the main focus of this book tobacco s presence on campus permeated more than just the student paper Cigarette brands were promoted at football games on campus radio and through campus representatives and promotional items were placed on campus in locations such as university stores and the student union
