**Force Recon Diary, 1970** Bruce H. Norton, 2013-11-15 The quiet of the night was again shattered by the thunderous roll of incoming artillery shells spaced five seconds apart ripping the jungle to pieces as huge chunks of earth and vegetation blew skyward under the brilliant flashes of orange and white explosions The possibility of encountering more NVA troops moving through our area was high as we had pushed a very great stick into their nest But our demonstrated ability to find the enemy and wait for the most opportune time to hit him while remaining totally undetected gave us reason to be pleased It also gave the NVA reason for concern In *Force Recon Diary 1970* Bruce Doc Norton offers a harrowing sequel to his best selling *Force Recon Diary 1969* continuing the true story of a navy corpsman who became a Force Recon Team Leader behind enemy lines in the jungles of Vietnam In the midst of a war set deep in the jungle the Force Recon Marines often found themselves lacking food drinkable water explosives or even enough radio batteries Armed with only their own courage skills and loyalty to their brothers in arms the Marines used stealth and cunning to survive in the harsh conditions of Vietnam where one mistake could prove fatal not just for an individual Marine but for the entire unit **Force Recon Diary, 1970** Bruce H. Norton, 1992 In the thick of a jungle war where there often wasn't enough food enough water enough air support enough explosives or even enough radio batteries the vulnerable Force Recon Marines knew that the only things that could keep them alive were their courage their skills and their loyalty to one another Here is the story of a Force Recon Company that put its lethal skills to work to make sure its team could survive combat behind enemy lines where one slip could mean body bags for everyone *Force Recon Diary, 1969-1970* Bruce H. Norton, 1969 *Force Recon Diary, 1969* Major Bruce H. Norton, 2015-09-16 Elite and highly trained the 3d Force Recon's eight man teams were assigned to obtain vital information about NVA operations Alone the men of these small teams were sent behind enemy lines where they all knew that a single mistake could cost everyone their lives United States Navy Hospital Corpsman Bruce Norton was the only navy corpsman to act as a Marine Force Recon Team Leader In *Force Recon Diary 1969* Doc Norton chronicles his life mission by mission with the 3d Force Recon in the DMZ and the A Shau Valley He describes the tense patrols the supreme courage the sacrifices in ambushes and hot landing zones that made this courageous company one of only two Marine units during the entire Vietnam War to receive the United States Army's Valorous Unit Citation *Historical Dictionary of the War in Vietnam* Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible *Historical Dictionary of the*
