Foothold In The Mountain:

From Saul to You Sedem Agbemafle,2010-02-18 from saul to you is the purpose for the purposed It is only and only for those who have been sent to root out and to pull down to destroy and to throw down to build and to plant Jeremiah 1 10 KJV It is therefore not for those who are complacent chilling out satisfied and unheeding If you have been appointed to an office a certain platform within the body of Christ and you proclaim your authority over a few or over a thousand make sure for certain Saul is not your covering nor your portion Therefore if the purpose of them who have purposed within their hearts to move for the Lord and their strength their Spirit love and obedience is strong then theirs is life and life more abundantly

Mountain flora of Java, 2nd edition Steenis,2021-11-29 The mountain flora of Java constitutes a unique natural heritage of Indonesia and indeed of the whole world The most informative and most beautifully illustrated book ever written on this rich resource is doubtlessly The Mountain Flora of Java written by the late renowned Dutch biologist C G G J van Steenis with unsurpassed paint drawings of 456 flowering plant species by Amir Hamzah and Moehamad Toha The first edition from 1972 was sold out fairly soon Brill is therefore proud to publish this edition of this seminal work at this point in time There are three very good reasons to reprint the Mountain Flora both in English and in the Indonesian language First of all there is the importance of this flora for biodiversity conservation and sustainable use of the vulnerable mountain ecosystems of Java Secondly the unique style and quality of the 456 plant portraits by Amir Hamzah and Moehamad Toha Thirdly there is the science explaining and interpreting the rich botanical diversity in the mountains of Java Although written over 40 years ago Van Steenis approach to the study of botany can still serve as an example and inspiration for young botanists conservationists and policy makers
