Bay Johnson who also went into the family business The Johnsons own a slew of resort cabins on Lake Amethyst and during the tourist season they do brisk bustling business Apple had met Bailey years ago the first time she ever came to Amethyst when she'd ordered him around and all but made him her servant Bailey didn't seem bothered by her cruel teasing then just as he doesn't seem to be affected by her humbled fumbling attempts at kindness now As the youngest of nine siblings in a close knit family Bailey has learned that acceptance is far easier than fighting Unfortunately a bad experience with love when he was young also taught him that folding is preferable to holding because reaching for forbidden fruit like the treacherous beautiful disaster and recently child like and fragile Apple Wooten could be the worst mistake he's ever made
