Asylum Lily White, 2020-07-05 Words are funny things. Their meaning, the pictures they paint in the minds of those that hear them. They're not always the same and to me at least that makes them meaningless. Take for instance the phrase black widow. Those words conjure the image of a spider. However, instead of speaking of an arachnid, the people who whisper them are talking about something much different. They're talking about me. From what I'm told, no man I've ever loved has survived. Yet I have no memory of any of it. My new home leads me to the definition of another vague and meaningless word. But the definition for the word is wrong. Especially when you're made silent by drugs and pretty white jackets. My name is Alexandra Sutton and this is the story of what happened when I was imprisoned inside an Asylum.

My Kind of Monster Lilith Roman, 1900 I wanted to give in to the hunger. Niklas Bergman stalked in the shadows of the silent woods, a depraved hunter and I am his prey. I traded one captor that broke my body and soul for one that threatens to break not only my heart but the walls that contain the darkness that lives inside of me. He is a beautiful monster, everything I searched for before my capture, the only one that understands my secrets and I fear my heart and mind will not survive him. I am a monster. I am a monster. I was a monster. Suki Knox hides a legacy of blood and I will drown her in it myself if that's what she needs to embrace it. I wanted to use her, no limits, consequences or remorse, but when I set my eyes on her, broken and abused, her enemy became mine. Now I can't let her go, not until I break her open. Her darkness calls to mine, her demons dance on heathen songs sung by my own and sometimes prey wants to be prey. Souls break open. Limits are crossed. Secrets are unleashed. A monster is born.
