*Who Wrote the New Testament?* Burton L. Mack, 2013-02-26 One of those rare volumes that makes one wonder how we could possibly have lived without it A must read for any student of the New Testament Publishers Weekly In this groundbreaking and controversial book Burton Mack brilliantly exposes how the Gospels are fictional mythologies created by different communities for various purposes and are only distantly related to the actual historical Jesus Mack s innovative scholarship which boldly challenges traditional Christian understanding will change the way you approach the New Testament and think about how Christianity arose A powerful compact yet detailed introduction to the New Testament and the origins of Christianity Mack has sketched the panorama of early Christian literature and social development in a lucid convincing and magisterial performance Robert W Funk founder of the Jesus Seminar and author of *The Five Gospels* Certainly Mack s book should take a place in the front ranks of New Testament introductions Booklist Finally Someone has penetrated the theological agenda that has informed a century of New Testament scholarship to provide a thoroughgoing historical overview of Christian origins Luther H Martin author of *Hellenistic Religions*      **The Match of the Century**

Cathy Maxwell, 2015-11-24 Maxwell delivers sweetly scintillating romance spiced with a dash of mystery in the first novel of her *Marrying the Duke* Regency series Publishers Weekly starred review In New York Times bestselling author Cathy Maxwell s glittering new series wedding bells are ringing until the return of a rake throws a bride s plans and heart into a tailspin Every debutante aspires to snag a duke Elin Morris just happens to have had one reserved since birth But postponements of her marriage to London s most powerful peer give Elin time to wonder how she will marry Gavin Baynton when she cannot forget his brother Benedict Already exasperated at being yanked from the military to meet family obligations now Ben must suffer watching his arrogant sibling squire the only woman he has ever loved Joining the army saved Ben from sinking into bitterness but seeing Elin again takes him back to the day they surrendered to their intoxicating desire As the wedding draws near Elin tries to push Ben far from her thoughts When danger brings them together there is no denying their feelings But can Elin choose love over duty Maxwell infuses the first of her new series with great depth of emotion Readers will experience her characters anger frustration sadness and joy and they ll sigh with satisfaction at this master storyteller s ability to create a delightful emotional read RT Book Reviews 4 stars The love story is one of the best

parts of the novel The characters are likable Kirkus Reviews [The New American Revolution](#) Tammy Bruce,2024-06-11 The New American Revolution A controversial and powerful manifesto for twenty first century American Patriots It s time to swing back the curtains and invite the light in And that light is American Nationalism perennially shunned by the Left condemned by Socialists and without any special interest group fighting for its rebirth It has no legitimate advocates And yet it is the very idea that will save not only our nation but the rest of the world as well declares Tammy Bruce With this remarkable book the bestselling author activist and independent pundit pulls no punches illustrating how a new American revolution is upon us a revolution based on American Nationalism and Individualism Grounded in reason classical philosophy and hard earned experience Bruce explores the dramatic shift in American attitudes since the tragedy of September 11 She illustrates how in our effort to take this nation back from nihilistic extremists American Nationalism individualism gun ownership the tearing down of liberal institutions personal activism and knowing the enemy are the new tools for today s Patriot The Hate America First ideology has prevailed for far too long says Bruce and she now offers a powerful prescription to reverse the moral and cultural decay wrought by Leftist extremists for four decades This power to stem the tide resides squarely within the reawakened American founding concept of E Pluribus Unum or Out of Many One It is this ingrained individualist spirit of the average American that makes this country the best nation on earth and now fuels the noble fight against the scourge of the Collectivist Left In a positive framework with empowering ideas insight and tools for direct action Bruce has captured a watershed moment in American history **The Red Limit** Timothy Ferris,2009-10-13 The acclaimed science writer presents an exceedingly vivid history of modern astronomy and cosmology told in entertainingly biographical terms The New York Times Hailed as the best science writer of his generation Timothy Ferriss is renowned for his ability to discuss the complexities of outer space in ways that are lively illuminating and accessible In The Red Limit he takes readers on a journey of discovery as a variety of scientific breakthroughs lead us to glimpsing the edge of the universe Washington Post For centuries it was assumed that our universe was static In the late 1920s astronomers defeated this assumption with a startling new discovery From Earth the light of distant galaxies appeared to be red meaning that those galaxies were receding from us This led to the revolutionary realization that the universe is expanding Ferriss delves into this revolutionary discovery its historic ramifications and the passionately competitive astronomers who charted the past present and future of the cosmos **Secrets of the Light** Dannion Brinkley,Kathryn Brinkley,2008-11-25 A must read for anyone on their spiritual path James Van Praagh author of Talking to Heaven In Secrets of the Light Dannion Brinkley author of the acclaimed New York Times bestseller Saved by the Light offers an accessible spiritual guide for empowering your life based on his own experiences in the afterlife A survivor of three near death experiences Brinkley presents us with profound Lessons from Heaven the Seven Truths revealed to him in the afterlife to help readers find their personal paths to happiness enlightenment health and prosperity Secrets of the Light belongs in every personal library beside Betty J Eadie s Embraced

by the Light and Don Piper's 90 Minutes in Heaven      *Lady at the O.K. Corral* Ann Kirschner, 2013-03-05 The definitive biography of the Jewish girl from New York who won the heart of frontier lawman Wyatt Earp Splendid The Wall Street Journal For nearly fifty years she was the common law wife of Wyatt Earp hero of the O K Corral and the most famous lawman of the Old West Yet Josephine Sarah Marcus Earp has nearly been erased from Western lore In this biography the author of the acclaimed *Sala's Gift* brings Josephine out of the shadows of history to tell her colorful tale of ambition adventure self invention and devotion Reflective of America itself her story brings us from the post Civil War years to World War II and from New York to the Arizona Territory to old Hollywood Lady at the O K Corral reveals how this aspiring actress and dancer a flamboyant curvaceous Jewish girl with a persistent New York accent landed in Tombstone sustained a lifelong partnership with the complex and charismatic Wyatt Earp and was equally at home in Alaskan Gold Rush boomtowns opulent San Francisco hotels mining camps casinos racetracks boxing arenas and back lots where she visited Cecil B DeMille and Samuel Goldwyn Kirschner has cleverly identified a parallel story buried under the debris of history that of Josephine Marcus for nearly 50 years Earp's common law wife and a valiant frontierswoman in her own right The New York Times Book Review Scrumptious This quick paced biography has it all USA Today Kirschner's fascinating profile captures the restless spirit of the frontier as deftly as it does Josephine's energy affection and limitless appetite for adventure Publishers Weekly      *How Math Explains the World* James D. Stein, 2023-12-15 Explores the application of math to problem solving in the everyday Will appeal to both casual and serious fans of math or physics Publishers Weekly In *How Math Explains the World* mathematician Stein reveals how seemingly arcane mathematical investigations and discoveries have led to bigger more world shaking insights into the nature of our world In the four main sections of the book Stein tells the stories of the mathematical thinkers who discerned some of the most fundamental aspects of our universe From their successes and failures delusions and even duels the trajectories of their innovations and their impact on society are traced in this fascinating narrative Quantum mechanics space time chaos theory and the workings of complex systems and the impossibility of a perfect democracy are all here Stein's book is both mind bending and practical as he explains the best way for a salesman to plan a trip examines why any thought you could have is imbedded in the number pi and perhaps most importantly answers one of the modern world's toughest questions why the garage can never get your car repaired on time Friendly entertaining and fun *How Math Explains the World* is the first book by one of California's most popular math teachers a veteran of both math for poets and Princeton's Institute for Advanced Studies And it's perfect for any reader wanting to know how math makes both science and the world tick      **Chief Joseph & the Flight of the Nez Perce** Kent Nerburn, 2009-10-13 A biography and history of the Native American chief his people and their forced exodus at the hands of the US government Nerburn deftly records a dark chapter of forced diaspora and forgotten promises as engrossing as a novel People A remarkable job of research in telling the thus far untold story of Chief Joseph the mythical hero the real man It is a poignant touching tale Howard Zinn author of *The People's*

History of the United States Hidden in the shadow cast by the great western expeditions of Lewis and Clark and the westward moving pioneers lies another journey every bit as poignant and essential to understanding of who we are as a nation Chief Joseph and the Flight of the Nez Perce is a grand saga of a pivotal time in our nation s history Its pages are alive with the presence of Lewis and Clark General William Tecumseh Sherman General George Armstrong Custer and Sitting Bull Its events brush against the California Gold Rush the American Civil War the great western pioneer migration and the building of the telegraph and the transcontinental railroad But at its center lies a group of men women and children fleeing for their lives across the vast American West and a man Buffalo Bill Cody called the greatest Indian America ever produced Nowhere has this story been portrayed with more sensitivity and understanding than in Chief Joseph and the Flight of the Nez Perce Kent Nerburn writes from the Indians perspective with insight and reverence Columbus Dispatch Crisp energetic account reads like fictionalized history in the tradition of Mari Sandoz s Crazy Horse The Oregonian A must read for every instructor of American history who want to present balance to the vast misrepresentations and distortions of American Indian history Grand Rapids Press Nerburn has written about a man of humility and grandeur whose patient anguish and devotion to his people should be part of our national mythos This is storytelling with a greatness of heart Louise Erdrich author of The Painted Drum

**A View from the Eye of the Storm** Haim Harari, 2009-10-13 In 2004 internationally known physicist Haim Harari was invited to address the advisory board of a major multinational corporation In a short speech he offered a penetrating analysis of the components of terror and presented a passionate call for a new era in the Middle East The speech entitled A View from the Eye of the Storm was not intended for publication but when a copy was leaked and posted onto the Internet it caused a worldwide sensation eventually being translated into more than half a dozen languages Now as the modern era of Islamic terror continues to unfold Harari reaches further to offer this serious yet accessible survey of the landscape of Middle Eastern war and peace at this challenging crossroads in history Moving beyond the sterile discourse of foreign affairs journals Harari encourages the world to view the Middle East through the eyes of a proverbial taxi driver a man on the street whose wisdom and sense of humor outstrips that of the experts And as he observes to anyone familiar with the Middle East from a taxi driver's perspective the persistent ugly storm engulfing the Arab world is far more than a territorial battle with Israel It is an undeclared World War III that rages from Bali to Madrid from Nairobi to New York from Buenos Aires to Istanbul and from Tunis to Moscow The sad result is that much of the Arab world has become an unprecedented breeding ground for cruel dictators terror networks fanaticism incitement suicide murders and general decline And unless the free nations of the world mobilize to stop it Harari argues this new world war will continue to cause bloodshed on all continents As a fifth generation Israeli born observer Harari includes a thorough response to the conventional wisdom about Middle Eastern affairs including a frank dissection of the media's lopsided portrait of the Arab Israeli conflict Drawing on his family's two centuries of life in the Middle East he offers a compelling catalog of the steps necessary to reach a lasting peace between Israel and the Palestinians steps he writes that are inevitable not because everybody accepts them today but because all sides must accept them before peace can be achieved And he urges the civilized world to combat terror by isolating its state sponsors blocking its funding and promoting education women's equality and human rights reform Eloquent in its simplicity written with passion humor and the directness of a scientist who has spent a lifetime explaining his work to the general public A View from the Eye of the Storm is that rare book with the power to change hearts and minds

**The Secrets of Judas** James M. Robinson, 2009-10-13 The story of the most enigmatic of disciples now fully revised and updated from America's leading expert on ancient religious texts from Egypt The Associated Press The discovery of a previously lost Gospel of Judas Iscariot has electrified the Christian community What Matthew Mark Luke and John tell us about Judas the disciple who betrayed Jesus is inconsistent and biased Therefore the revelation of an ancient gospel that portrays this despised man as someone who saw his role in the Passion of Christ as integral to a larger plan a divine plan brings new clarity to the old story If Judas had not betrayed Jesus Jesus would not have been handed over to the authorities crucified buried and raised from the dead Could it be that without Judas the Easter miracle would never have happened In *The Secrets of Judas* James M Robinson an expert historian of early Christianity examines the Bible and other ancient texts and reveals what we can and cannot know about the life of the historical Judas his role in Jesus's crucifixion and whether the Christian church should reevaluate his intentions and possible innocence Robinson tells the sensational story of the discovery of a gospel attributed to Judas and shows how this affects Judas's newfound meaning for history and for the Christian faith *The Secrets of Judas* should be read alongside the National Geographic volumes for another perspective The New York Times
