Amazing Grace Alicia White, 2017-01-28

A 13 week Children's Ministry curriculum to teach a generation how to walk in true authentic Biblical grace In our pursuit to refute legalistic religion of past generations the grace movement of the recent decades in some ways has caused an extreme pendulum swing that has left a generation of young adults with a perverted deceiving lawless view of grace yielding a generation of Christians full of compromising powerless faith A generation has embraced a grace that has become a get out of jail free card that somehow gives permission for continual and perpetual sin When the reality is true biblical and authentic grace is not absent of the law but is the law fulfilled through a yielded and surrendered soul in Christ Jesus This curriculum is all about moving the grace pendulum to the middle long enough to help a generation find a holistic and biblical view of grace that they can walk out in their Christian life

Grace defined in its simplest term is the power of the cross at work through the Holy Spirit in a believer Grace received at salvation is only the beginning of grace authentic grace is a continual work in progress in a believer In this curriculum you will empower children to allow grace to work in their life to yield righteousness love power true worship an intimate relationship with Christ and a passionate desire to go into all the world and impart the grace they have received wherever their world may be this is Amazing Grace
