Academic and Administrative Executives.Volume - II Dr. Ashok S. Yakkaldevi,2022-12-02 RUSA focuses on better quality of state higher education institutions The aim is to achieve mass access to higher education with high quality standards States must ensure that all their institutions adopt NAAC accreditation as the mandatory quality assurance framework and simultaneously seek to upgrade the overall academic quality by implementing reforms They will be encouraged to promote research and innovation in their institutions Since research focus can be judged both from input efforts and outcome indicators the SHEPS are expected to have a balanced appreciation of both aspects States and institutions are expected to honestly declare their present status in this area and outline specific strategies for improvement including the use of information and communications technologies ICT There is a need to improve resource allocation for universities to enable good quality research and innovation Criteria such as the number of research publications impact factors of journals in which papers are published citations the amount of research funding attracted etc should be considered for faculty promotions
