Given Time To Say Goodbye:

The Hamiltonian ,1917 **Journal of the American Medical Association** ,1900 **We Bleed** Zuzu Alexi,2015-05-08

I reflect on the many routes I travelled and I see the variety of landscapes my eyes beheld I think of the many slopes and the stale hills I walked through valleys and rivers big and small I remember the great few mountains I gazed upon and the trees young old and tall I walked different trails and opened my eyes in different places I had seen grass dancing with the breeze and a clear blue sky I remember a sunset waving to say goodnight and a moon trying to outshine the stars I remember lying under the shade of a tree watching a worm crawling on its stump I have seen ants going about their business and insects great and small I strolled between weeds and shrubs and played with their stems As for my body it knows how it feels to lie on meadows I walked on sand and felt the tiny stones between my toes Some late afternoons I heard birds singing with operatic voices As a child I played in the rain and heard the thunder above my head After the rain I saw the promise of God in the sky a rainbow I've watched the flow of a stream breaking on pebbles and when I gazed up to the sky I saw clouds moving by I already heard the wind in its fury and witnessed the ocean in its rage I have seen a desert storm and hid my face from its rusty desert sand I have seen flowers bloom and bees buzzing for their nectar I know how to greet every new day with my prayers and give gratitude to the Creator for the creation My journey is the recorded history of my time and in my time I have seen what I have seen and know in my heart that life is a special gift But I have also seen despair and troubled times I had many encounters with dark days but I rose from the pain I have tasted my tears and seen my own blood Every day I see my reflection in the mirror then I remind myself that I am more than what I see I go through bad times and also through good times I sometimes fight fear doubt and tears but I stand for the human race because it is my passion I have seen human tears emotional pain and human fears Therefore within me there is a warrior that knows how to bleed and survive Each day I learn to cope with the pressures of life and I never give up on a grain of hope I breathe I laugh I cry but I am here and I exist I was in my yesterday and will be in my tomorrow At this moment I am now I am the sentinel of my life and with my voice I announce that I am who I am and I am here with you on the same planet called Earth Now you know who I am I am mortal flesh *paint me a dream* John Mc Guckin,2011-01-15 John Mc Guckin's work is anchored deep in the realities of life personal social political His opinions on each of these subjects are clearly sometimes even roughly expressed there is no subject that his pen considers taboo And yet you can sense there beneath all these worldly layers the dreamer In his ever present melancholic soft poetry *The Campaign Manual* S. J. Guzzetta,1981 For 25 years this has been the How To manual in the industry Learn the process of how to run a political campaign from developing strategy the game plan and how to finance it Written in an easy to understand style Updated every 4 years with current techniques *When Good Fellows Get Together* James O'Donnell Bennett,1908 Cool English Level 4 Teacher's Guide with Audio CD and Tests CD Herbert Puchta,Guenter Gerngross,Raquel Royo,2005-10-10 Cool English is a 6 level contemporary version of Join In It is organized in
