2 Maccabees Daniel R. Schwartz, 2008-12-10 2 Maccabees is a Jewish work composed during the 2nd century BCE and preserved by the Church Written in Hellenistic Greek and told from a Jewish Hellenistic perspective 2 Maccabees narrates and interprets the ups and downs of events that took place in Jerusalem prior to and during the Maccabean revolt institutionalized Hellenization and the foundation of Jerusalem as a polis the persecution of Jews by Antiochus Epiphanes accompanied by famous martyrdoms and the rebellion against Seleucid rule by Judas Maccabaeus 2 Maccabees is an important source both for the events it describes and for the values and interests of the Judaism of the Hellenistic diaspora that it reflects which are often quite different from those represented by its competitor 1 Maccabees The Glimmer Rebellion James Lee Voris, 2015-12-14 The Tra h Man saga concludes with this offering The Glimmer Rebellion the fourth book in the series JamesLeeVoris com Even though it has a stand alone story line it ties together the previous three books and answers the question of how the glimmer rebellion came to be as it draws the reader into an in depth study of the central characters Warning though the Epilog may only be fully understandable to the followers of the previous books To those faithful the surprise ending will bring closure and a feel good emotional response In this issue the author James Lee Voris explores the consequences of the glimmer the perfect narcotic on an entire civilization It renders the addicted unable to perceive reality and believe everything is perfect Each of the five senses of the dependent individuals are altered to an euphoric state where everything smells wonderful even though it may really be rancid and rotten all sound is harmoniously lovely though it may be discordant screams all tactical sense is rewardingly soft to the touch even if it is rough cutting and painful all things taste incredibly delicious despite it actually being putrid and spoiled and everything observable appears delightfully beautiful to the eyes even though it be a scene of devastation and carnage In a civilization that exists for the next jolt the government s most critical function is to maintain a steady supply of glimmer to service its citizenry To get that glimmer supply the mining operations destroys planet after planet and all life on them Our heroes and heroines face the daunting tasks of cutting off the supply of glimmer and somehow overcome the most ruthless military in the galaxy That is a hard sell when 99% of the people don t want to be saved arguing what s wrong with being enraptured and live in a world of perfection even if it actually isn t From Hegel to Existentialism Robert C. A New Edition of Philip Schaff's „History of the Christian Church“ Muhammad Wolfgang G. A. Schmidt, 2017-07 This voluminous work on Church History by Philip Schaff 1819 1893 was originally published between 1858 and 1893 in eight volumes in the USA and covers the period from the beginnings of Biblical Christianity in A D 1 to the History of the Reformation in Germany and Switzerland 1517 1648 Being still a popular text in North America this work had been out of print for over a century and has now been carefully edited and reformatted

for republication in three volumes each of them containing the text of two volumes of the original edition Schaff's work unlike other works in the field covers a multitude of church history related aspects from church doctrine policy events and processes to aspects of social moral and family life arts and more It is a very comprehensive text extremely well written and readable rich in material and sources used and attests to the excellence of protestant German theological scholarship under the influence of emerging Historical Critical Biblical Exegesis at his time This first volume covers the period from the beginnings to the Ante Nicene Fathers A D 1 311 *Newsweek* ,1968 **The Message of Kings** John W. Olley,2022-06-21 In this Bible Speaks Today volume John Olley shows how 1 and 2 Kings retell the past as preached history addressing the exilic situation of the original readers This accessible commentary shows how the narrative of Kings sheds light on what it means to worship trust and obey God in the midst of the turmoil of national and global events doing so in rich often surprising ways **New Outlook** ,1892 The Christian Union Henry Ward Beecher,1892 **Applied Spirituality: Seeing Through the Illusion of Our Separateness** Robert Colacurcio,2015-10-14 This volume is a compilation of six smaller books that were published between 2012 and 2014 They were written as though I were taking dictation Some higher power unlocked the gates of inspiration and articulation and I wrote almost continuously for three hours every day without ever first composing an outline for any of these books Instead of coming out as gibberish they form a coherent and I feel cogent whole and so I have grouped them together in one volume Performance excellence in any field requires among other things a clear goal that can be methodically approached incrementally in manageable steps and stages Without a clear goal there can be no cogent methodology Accomplishment in the practice of a spiritual discipline that leads to excellent results is no different Together these books offer a clear goal and method for accomplishing what I feel is the universal target of every valid form of spiritual practice namely seeing through the illusion of our separateness This goal is universal to every form of spiritual aspiration The methods outlined in this book therefore bypass every form of sectarianism They can be applied and practiced by anyone of any faith who is sincerely motivated to deepen in the spirit that unites us all The London Journal ,1864 **Outlook** Alfred Emanuel Smith,Francis Walton,1892 **The Saturday Review of Politics, Literature, Science and Art** ,1913 *Notes and Queries* ,1905 America ,1912 The Jesuit review of faith and culture Nov 13 2017 Black & White ,1897 *The academy* ,1881 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1914 **The London Journal: and Weekly Record of Literature, Science, and Art** ,1864 **The Irish Ecclesiastical Journal** ,1849 Christian Advocate and Journal and Zion's Herald ,1904
