First Timothy Everymans Bible Commentary Everymans Bible Commentaries:

First Timothy- Everyman's Bible Commentary D Edmond Hiebert, 1957-06-01 This concise interpretation of the apostle Paul's first letter to Timothy keeps technical matters to a minimum while making every effort to provide a clear explanation of each portion of the epistle. Dr. Hiebert's verse by verse method keeps the trend of thought before the reader by means of a well developed outline. The letter to Timothy was intended to give him needed help in opposing the false teachings that were creeping into the church. Hiebert's valuable commentary makes the truths Paul taught Timothy clear and easily applicable to the layman and busy pastor.

Second Timothy- Everyman's Bible Commentary D Edmond Hiebert, 1959-06-01 A reliable guide to Paul's last letter is provided by D Edmond Hiebert in this concise interpretation of 2 Timothy. The verse by verse exposition offers a systematic explanation of the entire book. A comprehensive outline accurately follows the progression of Paul's thought, giving a quick overall view of the contents. Second Timothy is the most personal of the Pastoral Epistles. It was written shortly before Paul's martyrdom and contains intimate words of lasting significance. The apostle's special concern for both Timothy and the people he served is laid bare in this touching letter of instruction and encouragement. Second Timothy is characterized by clear expression and a penetrating analysis of this epistle written to a son in the faith. The outline is designed as a chart and guide to the meaning of the epistle and is interspersed in the interpretative text. Technical matters have been kept to a minimum, but discussion of the Greek is included where such commentary is needed.

Pastoral Epistles, Volume 46 Zondervan, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation: the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure: Setting a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment: verse by

verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research

Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels

- 1 within the context of the book itself
- 2 its meaning in the OT or NT
- 3 its place in the entire canon
- 4 theological relevance to broader OT or NT issues

General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary
