

CAN A DREAM COME TRUE WITH SOMEONE
WHO HAS BEEN DEAD FOR TWO
CENTURIES

A sword is positioned vertically in the center of the image. The hilt is at the top, featuring a silver-colored pommel and a crossguard. The blade is dark and appears to be made of metal. A vibrant blue flame or smoke effect surrounds the sword, particularly concentrated around the hilt and the crossguard, creating a dramatic and ethereal atmosphere. The background is a deep, dark blue.

Flaming Blue Sword Hundred Years:

The Flaming Blue Sword Sidney St. James, 1900 THE FLAMING BLUE SWORD Book 1 of 3 Storm Lord Trilogy Series A Paranormal Romance Angelica Thompson an award winning romance novelist makes a decision to end her turbulent relationship back home in Denver and heads to a secluded spot on the shores of Black Rock Cove in Oregon Writer s block in preventing her from finishing her last novel in her paranormal romance series and is being pressured by her publisher BeeBop Publishing Group to finish by the end of the summer She discovered the first night of her arrival how vividly her mind s thoughts and dreams came alive Her imagination of a dead sea captain a black panther pouncing on her for his evening meal and falling to her death in a cove hundreds of feet below are only the beginning Janie a local real estate agent awakens her in her cottage Was she awakened during a dream or could it be real An ancient prophecy of destruction has been set into motion and what destiny has in store for Angelica and the entire village of Black Rock Cove is bigger than anyone could possibly imagine She sits on the front porch staring out to the sea while her mind gets lost in another dream She can see Black Rock Cove off in a distance standing like that of a skeleton She dreams of barren wastelands empty now that disease took over whatever the fire didn t Even the Pacific Ocean stood still like a semi stagnant pool of death and decay There are no waves as even the wind appears to have left the earth The skies are barren no seagulls flying over or squawking their usual morning sounds All the while the oppressive heat came down like the breath of Lucifer himself The end is coming That is unless Angelica and the others learn to believe in what is about to happen and trust each other If not they may never unravel the mystery surrounding the death of Jonathan Knight the sea captain from two hundred years ago Is the black panther what he appears to be or is there something strange in how he comes and goes Experience the power of true love Feel the intensity of real emotion when one woman loves one man but powerful forces threaten to keep them apart forever See real magic Fear real evil Find true love **The Flaming Sword** ,1924 *Ghost 6 and the Bright Blue Blade* Jonathan Tomes,2023-02-09 When a nurse asked John if he could have one wish he had just watched TV news depicting ISIS beheading Christians so he answered Bring me back as an infantry platoon leader to go fight ISIS He wakes up parachuting into Syria in combat gear but quickly learns he forgot to say male infantry platoon leader now that the president has opened combat positions to women In the ensuing battle she is wounded but is recommended for the Medal of Honor Upon being discharged from Walter Reed the president orders her to remain in DC so that he can show her off as proof that he was right in his decision How does she go to the State of the Union Address when she doesn t know how to put on makeup or pantyhose But after some comic misadventures she figures it out But then she must go to a White House dinner in honor of Prime Minister Netanyahu She is assigned Major Michael David as her escort as she hardly has a significant other Strange things happen when she is with him that makes her wonder whether he is the Archangel Michael which he denies The Army wants to reclassify unfit for combat so she accepts the prime minister s offer to make her an Israeli soldier During a combat jump with

the IDF her chute doesn't open but two arms enfold her and lower her to the ground Major Michael was along as an observer She's convinced he unfolded his wings to save her but he says he had a maneuverable parachute that let him catch her Although unconvinced it is the least of her problems He proposes to her Can she marry a man when something is left of the male brain in her Much less marry an archangel

The Other Side of Midnight - The Return Karen Rivello, 2015-07-10 The elves of Waters Edge have set upon the world of men to find Leg a and make him pay for the treason against his own kin though they are not the only ones to have breached the pools into the human world As more prophecies come to light there are also more surprises as the small Elvin party A lior is leading align themselves with the humans It is the only way to win against King rrin who now possesses the black stone of Dalbhach and as is the stone's nature the human king has also fallen to its call in the form of a green dragon When the battles converge on both worlds the chosen one is finally revealed atop the thousand steps and it's not what the elves expected The One with blood still pure is the only one who can wield the blood sword of a blue dragon forged by the blue flame How had the Elvin child been hidden for so long And who are the other elves that have lived among men that now come to their rescue Death waits for many and yet Death itself will fail
