Faith Physics And Psychology Rethinking Society And The Human Spirit:

Faith, Physics, and Psychology John Fitzgerald Medina, 2006 In Faith Physics and Psychology John Fitzgerald Medina offers a new understanding of the important role of religion and spirituality in the building of a global society **Partners in Spirit** Heather Cardin, 2006 Partners in Spirit presents an inspiring collection of stories from real life couples who share their thoughts about why their marriages work and the importance of religion and spirituality in this partnership The advice given by the couples on how to create these spiritual foundations can help both prospective marriage partners as well as those who have been married for years *The Prisoner and the Kings* William Sears, 2007 A riveting historical account of a prisoner in a Turkish penal colony and the world changing letters he sent to the religious and secular leaders Between 1867 and 1873 a solitary prisoner in a Turkish penal colony wrote a series of letters to the kings and emperors of the day predicting with amazing accuracy the course of modern history the fall of several nations the overthrow of certain individual monarchs the decline of specific religious institutions the rise of communism and the threat of nuclear weapons The prisoner was Baha u llah Prophet and Founder of the Baha i Faith What was the source of the prisoner s knowledge What did the letters have to say about the future of humanity in the twenty first century The answers are here The Cosmic Spirit Roland Faber, 2021-03-04 Are we more than stardust Is the appearance of the fragile Earth in the vast universe more than an accident Are we not children of a Spirit that pervades the dust rejuvenates life and embraces the ever evolving universe Is there a cosmic Spirit that wants us to awaken to a consciousness of universal meaning sacred purpose and mutual friendship with all beings This book answers these questions with a spirituality of the numinous in our relation to the elements of the Earth in the matrix of the multiverse by taking you on a journey through nine paths and nineteen meditations of awakening Not bound by any religion but in deep appreciation of the religious and spiritual heritage of human encounters with the divine depth of existence in our selves and in nature they invite you to become sojourners by engaging the most profound embodiments of the intangible Spirit by which it facilitates its own materialization in the cosmos and our spiritualization of the cosmos Use says this Spirit the stardust that you are to become a spirit faring species in an eternal journey of the cosmos to realize its ultimate motive of existence the attraction of love **Gems from the World's Great Scriptures** , 2007 Have you ever wondered what other religions teach about creation prayer faith Gems from the Worlds Great Scriptures answers these questions and more in a beautifully arranged selection of scriptures taken from six religions Hinduism Buddhism Judaism Christianity Islam and the Bah Faith Each chapter covers a different topic and offers insight and inspiration on a theme gleaned from the sacred writings of different faiths What emerges is a unique love story the story of Gods love and guidance for all humankind Peace , 2007 The horrors of innumerable conflicts currently blazing throughout the globe would seem to indicate that world peace is nothing more than a childlike fantasy But members of the Bah Faith believe that the future is filled with hope and promise for the Bah writings state unequivocally that world peace is not only possible its

inevitable Peace More than an End to War is a blueprint both for the peace of the individual and the peace of our global society This timely compilation can bring comfort to the world weary souls who pause to explore the wisdom in its pages
