Jemisin's fiction does such re-imaginative work and explores both the contemporary moment and the potential for a future that is other than our present *Virginia Woolf and the Age of Listening* | *Virginia Woolf à l'ère de l'écoute* Adèle Cassigneul, Anne-Marie Smith-Di Biasio, 2025-04-24 Listening was the spirit of the age as the invention of psychoanalysis and of radio marked the turn of the twentieth century Virginia Woolf and the Age of Listening brings together contributions which tune into that acoustic quality at once present in Woolf's time in her texts and in the readings which here echo those very listening techniques Indeed the listening mind as a reading surface for the receptivity and reconstruction of sound waves embodies a shift which informs the thinking of many chapters in this volume In their attention to listeners in the text and to those who make up the work of reception in both English and French these readings consider Woolf's oeuvre as an echo chamber reverberating with intertextual echoes in a multi-layered representational network They form a constellation of answers to the call of the Age of Listening **Immaculate Misconceptions** Amey Victoria Adkins-Jones, 2025-03-16 Immaculate Misconceptions A Black Mariology begins with this claim to challenge how Christian thinking of salvation possibility and identity are challenged when we rethink assumptions about race gender and divine significance through the lens of the Virgin Mary and specifically through a return to the Black Madonna A layered journey is offered through art theology and culture to consider a theology arising from the condition of the Black Mother a theology following the condition of the Black Madonna a theology for the consideration of all those who pursue justice and life at the spiritual intersections of the world questioning the legislative doctrine around our perceptions of Mary as the mother of God and extending conversations forward to consider the what else of life Immaculate Misconceptions considers how Christian collusion with colonialism capitalism and anti-Blackness have worked theologically to deny Blackness from the realms of the sacred Through the lens of art and icon the treatise thinks through Black women's reproductive legacies and revisits the figure of the Black Madonna as a necessary return to the womb as hush harbor birth as liturgy and Black life as holy **In Bed with the Duke** Christina Dodd, 2010-03-02 A return to historical romance from the New York Times bestselling superstar Lady's companion Emma Chegwidzen avoids defying society's rules until she runs right into the arms of the seductive Reaper a mystery man whose goal is justice Or is it vengeance Only one thing is certain he's far too dangerous for the demure Emma But some challenges are too tempting to resist [Why Do Dukes Fall in Love?](#) Megan Frampton, 2016-07-26 In Megan Frampton's captivating new Dukes Behaving Badly novel we learn the answer to the question Why do dukes fall in love Michael the Duke of Hadlow has the liberty of enjoying an indiscretion or several But when it comes time for him to take a proper bride he ultimately realizes he wants only one woman Edwina Cheltam He'd hired her as his secretary only to quickly discover she was sensuous and intelligent They embark on a passionate affair and when she breaks it off he accepts her decision as the logical one but only at first Then he decides to pursue her Michael is brilliant single-minded and utterly indifferent to being the talk of the ton It's even said his only true friend is his dog Edwina had begged him to marry someone
