Family Fun Nights Book Leslie Timm,2021-08-05 Family time we all know we need more of it both family togetherness and time Unfortunately we cannot gather more time it is something that is fixed and never changing But what we can do is find time to have more fun with our families It doesn t have to be an extravagant vacation or an everyday thing but setting aside some time each week to solely spend with each other can make a drastic impact on the way your family interacts with each other With this book I have compiled 52 ideas for a once a week family fun night That means there is something to do each week of the year It usually works best if you choose a set day of the week to have this special day but there is always room for flexibility If your family would work best by choosing a different day each week based on that week s schedule by all means do that The key is to get the family together once a week and have lots of fun Side note if a week is a bad one and your family just can t come together that week don t worry about it You want to have more time together without added stress So you miss a week just try again the following week The way to use this book is to first figure out which day your family is going to do Then look over that night of fun activities P S You do not have to do said activities at night For some families mornings or afternoons might work best go with the dynamic of your household After looking over the plans for your family fun night you need to decide which activities you want to implement Nothing in this book is required it s all just ideas and starting points for other things you might like to incorporate Always modify change add to take away anything you don t find fitting for your group There may even be things listed that because of where you live or your resources you may not be able to do Okay next you want to be sure to gather the supplies needed or make the necessary arrangements to move forward with your family time Last have fun and really enjoy your time together Now I have placed a circle on the left side of each activity If you re like me and want to check things off as you plan them or check them off as you do them the choice is yours It is also your choice to not mark anything off at all Remember you do not have to do each and every activity You can implement just two and have a nice time together You can even substitute any activity you choose with your own idea or something else you all would like to do Be sure to implement a no devices policy aside from it being something that is encouraged in the book or for taking photos You ll certainly want to document some of these precious moments Have a great time celebrating your family and cheers to spending more time together
