Excuse Me, Your Job Is Waiting Laura George, 2007-01-29 Excuse Me Your Job Is Waiting approaches job hunting from Lynn Grabhorn's philosophy of the astonishing power of feelings introduced to more than half a million readers. Laura George applies the powerful Law of Attraction to the life experiences of both losing and getting a job. George captures the style and substance of Excuse Me and helps you identify the qualities you want in a job and then shows you how to flip the negative feelings you may be carrying. The economy is terrible. I can't believe I got laid off. I'm too old, so you can stay focused and upbeat to draw that perfect job to you. Experienced in job hunting from both sides of the interview table, George understands all the highs and lows in this emotionally draining process. As a job seeker, she teaches you to stay positive after months of few prospects and little hope. As a human resources manager, she also knows that these powerful positive feelings can land seekers the job of their dreams. By exploring the power of feelings on your job search, this new job seeker's guide is unlike any other. George shows you the job market through the employer's eyes and offers insider information on resumés and cover letters, internet job boards, and online applications, interview and salary negotiation strategies, and much more. Future books in this exciting new Excuse Me series will apply Lynn Grabhorn's power of feelings concept to parenting, family relationships, and personal development.

Dear God, What's Happening to Us? Lynn Grabhorn, 2025-09-12 In dark times, a message of hope. In her bestselling *Excuse Me Your Life Is Waiting*, Lynn Grabhorn told how to literally create your own reality. Then, as she tells here, her own life and health inexplicably fell apart. After years of struggle, she learned that the reason why involves nothing less than the age-old struggle between positive and negative forces. More important, she learned how this struggle began, how it is playing out, why times today are so hard for so many, and WHAT WE CAN DO ABOUT IT. This book is above all a message of hope. In Grabhorn's trademark down-to-earth style, she shows how we each of us can choose to embrace the positive in such a way that the negative loses all power over us. Forever. This powerful message, if heeded, will change the course of human history for the better. From the author of *Excuse Me Your Life Is Waiting*, which has sold more than 150,000 copies. Offers seven easy steps to release all unseen negative influences. Shows you how to survive and thrive in a world seemingly driven by negativity.

Excuse Me, Your God Is Waiting Michelle Epiphany Prosser, 2025-09-12 For many of us, the search for the true self begins and ends with God. Certainly, this is true for author Michelle Prosser. In this remarkable book, Prosser opens up her life experiences to light the way for each of us as we undertake our own journey of self-discovery. There are many books available now that teach us how to use the Law of Attraction to bring into reality the life we really want. *Excuse Me Your God Is Waiting* puts God front and center in the process and in our lives. We not only benefit from Prosser's many experiences but also from the numerous exercises she includes, exercises that allow us to get to know God perhaps in a different way than we've ever experienced before. She shows us how to make God a part of each day, each experience, each trial, and each celebration.
