*Marriage Ministry Guide* Focus on the Family, 2003-05-21 This resource is much more than a mere leader's guide for the Focus on the Family Marriage Series it is a manual for developing and sustaining a ministry to marriages in your church and community With marriages in our culture and even the Church in dire straits there is a desperate need for the Church and its leaders to stand in the gap for families and marriages Gleaned from ministries around the nation this manual contains information on how and where to begin types of ministry settings staffing and organization of the ministry It also includes basic information on learning styles and how to teach adults develop lessons and encourage discussion It will also include reproducible forms publicity aids and clip art as well as a listing of additional resources

*Redeeming The Time* Daryl Poe, 2024-10-08 The Church's immutable mission is to intentionally share Christ's kingdom The believer's divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward Redeeming the Time God's CLEAR Path Forward biblically examines Christ's transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ's servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple's relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically

examines Christ's transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward     *Introduction to Law and Legal Systems Study Guide*
