*Get Your Business Online Now!* Todd Alexander, 2012-02-28. Online business or e-commerce has become the buzzword of the past year. The media and key influencers alike are talking about the potential of e-commerce, but many Australian businesses have not reached their potential and those managing them don't know how to go about it. One of the obstacles is the lack of affordable local knowledge in the area. The assumption is that anyone with a website can appear on Google and be successful, but the reality is vastly different. Consultants will charge tens of thousands of dollars to give the same advice that is contained in this book, which includes an outline of the e-commerce opportunity, how to design and build an effective website, the best marketing and advertising strategies, logistics and payment solutions, utilising marketplaces and mobile commerce, and the key to outstanding online customer service. In this straightforward, user-friendly guide, Todd Alexander, an author with 10 years experience as an e-commerce expert, provides the essential tools to get all types of

businesses get online and make their websites successful and profitable

**Expand Your Business Digitally** Christina Brigham, Derek Brigham, 2020-03-09 What would you rather have 100% of the pie you already have or 53% of a pie twice the size or more than the one you already have This is the power of partnering teaming up with a marketing expert to let them do the marketing while you develop your products And this is the same principle behind a clockwork business that is it is better to free up your time to create more and do the things that only you can do while hiring out the mundane things The result is that you make more money do more of the things you like and are freed from the entrepreneurial trap of doing everything yourself For digital marketing there are techniques such as keyword optimization page optimization and pay per click ads that are proven to increase sales on websites like Amazon and eBay Selling physical products online is a science and that science is explained in this book so that you the product owner understand what it is your partner is doing to boost your sales without you having to spend the time doing it This book has resulted from the author's experience selling on Amazon and eBay and is geared towards product owners who feel overwhelmed with product development and managing their digital marketing at the same time The solution is simple focus on developing your product and partner with a digital consultant for the marketing The result is a win win and this book details the steps that your partner will take to improve the sales of your product
