Will God or the World Define You? David Blanchard, 2023-11-09 God s story is the world s true story and as part of that story He wants our hearts and affections directed toward Him His story is infinite in significance far reaching and deep in meaning and more appealing than any individual story or stories that a person can craft on their own Left to themselves without God a person s story involves falling away from Him and missing their true purpose God s story is a story of creation fall redemption and restoration starring the greatest hero of all time Jesus Christ and through Him it culminates with the family of God being rescued to live eternally with God in a restored perfect sinless world As Christians we are grateful to be saved from that falling away and to be living inside His story instead of one separated from Him Not that our personal stories encompassing our hopes dreams abilities and loves are insignificant to God He loves us and is out for our good Rom 8 28 Our stories are important because He created us to have them and they play a significant part in God s larger story But those stories are to be formed by guided by and lived out through the identity God intends for us

Faith in the Age of AI Dan Scott, 2023-06-20 Imagine having lived in the generation that discovered fire Very swiftly current scientific advances will reorder our lives just as much Artificial Intelligence decoding the human genome links between mind and computer All these things once science fiction are now quickly and absolutely becoming science fact Could machines become sentient Is life a computer simulation Does science really have a genetic blueprint for all human life Believers and unbelievers alike are easily unnerved by such questions Interestingly though early writers from many faiths and fields have already addressed these

kinds of issues From Plato to St Paul and Laozi to C S Lewis they all have much to say about our curiouser and curiouser new world In Faith in the Age of AI pastor priest scholar and counselor Dan Scott invites you to learn what these hallowed ancient voices have already said about faith in the age of Artificial Intelligence **Experiencing God, Collegiate Edition** Richard Blackaby, Henry T.
