Encounters Russian Avant Garde Michael Craig:

Encounters with the Russian Avant-Garde Michael Craig, 2015-12-01 Encounters with the Russian Avant garde complements the series of six films made by Michael Craig and Copernicus Films about the Russian Avant garde of the 1920s and 30s Fully illustrated including stills from most of the films it is not only an account or explanation but also an introduction or to be more specific an encounter with this exciting phenomenon The title reflects an active relationship firstly through the experience of living in Moscow for many years plus a direct encounter with the buildings the architecture and the very territory in which much of the avant garde arose and to some extent still exists Encounter suggests something more casual unexpected and unstructured but also a sense of living in the avant garde and being part of it After all it was the intention of the Russian Avant garde to connect with the real lived world and to take art out of the galleries and onto the streets and squares of Moscow

Acting the Essence Giuliano Campo, 2022-06-09 Acting the Essence examines the theory practice and history of the art of the performer from the perspective of its inner nature as work on oneself within around and beyond the pedagogy of the actor Reflecting primarily on the legacy of Jerzy Grotowski this book is composed of a series of reflections on the Stanislavskian lineage of practitioners and related authors in an attempt to revive awareness of the original path traced by the Russian master and to refine certain ambiguities in contemporary training In a new media age of image and sound accompanied by a proliferation of new technologies and means to communicate emphasised by the COVID 19 crisis a classic question comes to be asked of us again What is the essence and the principal objective of the work of the performer Is performing art still necessary While proposing a theoretical advancement of the discipline and an historical overview of the relevant practices this book provides tools for a better understanding of the traditional function of the performer's practice as work on the self for its ecological renaissance through a conscient use of trance attention and altered states of consciousness This book offers insight for students in drama theatre and performance courses studying acting and performance at university

The Aesthetics of Lev Vygotsky Stella Medvedeva, 2025-11-13 At the crossroads of theater art and psychology Lev Vygotsky's compelling theory of aesthetics helped shape the intellectual currents of Russian Modernism This new book combines our understanding of Vygotsky's scientific and artistic legacies bridging the divide between human consciousness and the transformative power of art *The Aesthetics of Lev Vygotsky A Sociocultural Approach to Theater* introduces the concept of Vygotsky's aesthetics offering an unprecedented exploration of Lev Vygotsky's early writings on art literature and theater Long overshadowed by his later work in psychology these formative texts reveal a compelling theory of art's psychological function shaped by the artistic and intellectual currents of Russian Modernism By rereading Vygotsky's aesthetic writings in dialogue with this context and with his mature psychological theories this book challenges the divide often drawn between his scientific and artistic legacies illustrating how Vygotsky's thinking oscillates fluidly between disciplines bridging the study of human consciousness with the transformative power of art Through this interdisciplinary

lens Vygotsky's aesthetics emerges as a distinct and timely framework one that speaks not only to scholars of theater and psychology but to anyone interested in how art helps us understand what it means to be human *Bibliographie D'histoire de L'art* ,1991 *The Publishers' Trade List Annual* ,1995 **Cue** ,1966 **Humanities** ,1991 **Flash Art** ,1994

New York Magazine ,1987-06-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Times Saturday Review of Books and Art ,1981 **Forthcoming Books** Rose Arny,2002-04

Small Press Record of Books in Print Len Fulton,1991 **Choice** ,1994 **The Cambridge Guide to Theatre** Martin Banham,1995-09-21 Provides information on the history and present practice of theater in the world Design & Applied Arts Index ,1995 **The publishers weekly** ,1991 *Cue* ,1968 *New York* ,1989 **Time Out Film Guide** John Pym,2004 This guide is a collection of engaging and provocative capsule reviews of films across the spectrum of cinema history from Russian silent movies to American comedies classic documentaries to Japanese anime and beyond *Publishers Weekly* ,1976
