Empower Me In The Spotlight 1 Collection Sex Stories Mythology:

Empower Me #1 Jean-claude Carvill, 2015-05-15 Freya Moreton is a yoga instructor who has escaped poverty and her own nightmare Mommy Dearest to become a successful entrepreneur. Her high end clients are society's crème de la crème. At a client's birthday party she meets his brother and it's lust at first sight. Tristan Lucas is the poster boy for Prince Charming: wealthy, sexy, and handsome, but it isn't long before the luster dims on the fairytale and Tristan shows his true self. When he asks her to marry him, she's torn. Although the sex is off the chain for him, Freya has yet to find satisfaction in their steamy romps. And his explosive temper doesn't help. She tells herself it's just a minor thing; after all, love is what's important and he loves her. Even with her inner alarms flashing red, Freya accepts his proposal, seeking the security she's longed for all her life. But she could never have imagined the rocking orgasms she's been seeking would be found in Tristan's best friend, Corey Wallace. Empower Me is a masterpiece, a masterpiece of erotica literature. Don't miss it.
