Emt Intermediate Pearls Of Wisdom Pearls Of Wisdom Series:

EMT Intermediate Pearls of Wisdom Guy Haskell, 2004 The unique format of this book differs from all other review and test preparation texts Let us begin then with a few words on purpose format limitations and use The primary intent of this book is to serve as a study aid to improve performance on EMT Intermediate certification and refresher examinations With this goal in mind the text is written in rapid fire question answer format The student receives immediate gratification with a correct answer Questions themselves often contain a pearl reinforced in association with the question answer Additional hooks are often attached to the answer in various forms including mnemonics evoked visual imagery repetition and humour Additional information not requested in the question may be included in the answer **EMT-Intermediate** Guy Haskell, Robert Allen, 2008-09-25 EMT Intermediate Pearls of Wisdom is a collection of rapid fire questions and answers to help students prepare for EMT I state and national certification and refresher exams It consists of pearls succinct pieces of knowledge in a question and answer format Designed to maximize test scores EMT Intermediate Pearls of Wisdom prunes complex concepts down to the simplest kernel This manual is an excellent study guide for EMT I students going through initial or refresher training the manual is written in direct correlation to the U S DOT EMT Intermediate National Standard Curriculum Objecti **Emergency Medicine Written Board Review: Pearls of Wisdom, Sixth Edition** Scott H. Plantz, Dwight Collman, William G. Gossman, Michael L. Lambert, Amalia S. Carlos, 2005-10-10 Question and single answer format eliminates the guesswork associated with traditional multiple choice Q A reviews and reinforces only the correct answers needed on exam day Emphasis is placed on distilling key facts and clinical pearls essential for exam success This high yield review for the emergency medicine written board review is designed to compliment larger texts for intense streamlined review in the days and weeks before the exam **MCAT Review** Michael Donnino, Paul Tischhauser, Robert Donnino, M.D., Robert Donnino, 2004 This book offers a unique style and format which has been well received by hundreds of students preparing for the MCAT exam The format allows for a rapid and concise refresher on pertinent information It is also practical and efficient because it gets right to the point Unlike most multiple choice review books each question is quickly answered with just the right answer so the student won't be confused or misled with other possible answers Primarily intended as a study aid the text is written in a rapid fire question answer format This way readers receive immediate gratification Questions themselves often contain a pearl intended to reinforce the answer Additional hooks may be attached to the answer in various forms including mnemonics visual imagery repetition and humour Additional information not requested in the question may be included in the answer Emphasis has been placed on distilling trivia and key facts that are easily overlooked and or quickly forgotten yet somehow seem to be needed on the MCAT and similar examination

Pathology Medical Student Cory A. Roberts, 2004 This book will help you to learn about pathology as well as prepare for the pathology USMLE board examination This book is structured in a question and answer format This permits the reader to

concentrate on areas of interest or weakness Some readers will find answering questions the preferred way to study for a board exam After completing a Pearls chapter these readers are encouraged to examine the corresponding textbook chapter entirely for comprehensiveness Most readers will probably use this book in a post textbook review mode One such method involves reading a chapter in a textbook then proceeding to answer the questions posed in this book Other readers will prefer to comprehensively study the contents of a pathology text entirely and use this book afterwards The purpose of the last two methods is to permit the reader to uncover areas of weakness and to become familiarised with the process of answering questions Answering questions during a board exam is a cognitive task that is optimised by preparing a specific set of cognitive skills

General Chemistry David Clark, 2004 Chemistry *Internal Medicine Medical Student* Michael Zevitz, Scott H. Plantz, Jonathan Adler, 1998 Internal Medicine Medical Student USMLE Parts II and III Pearls of Wisdom is designed to Help students prepare for the USMLE Board Parts II and III Improve performance on IM rotations

Cardiology Pearls of Wisdom Michael Zevitz, 1999 Primarily intended as a study aid the text is written in rapid fire question answer format This way readers receive immediate gratification Moreover misleading or confusing foils are not provided This eliminates the risk of erroneously assimilating an incorrect piece of information that makes a big impression Questions themselves often contain a pearl intended to reinforce the answer Additional hooks may be attached to the answer in various forms including mnemonics visual imagery repetition and humour Additional information not requested in the question may be included in the answer Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to be needed on board examinations *ACLS (Advanced Cardiac Life Support) Review: Pearls of Wisdom, Third Edition* Michael Zevitz, Scott H. Plantz, William G. Gossman, 2007-12-19 MAXIMIZE YOUR ACLS SCORE A Doody's Core Title 3 STAR DOODY'S REVIEW This book's most impressive aspect is that it presents the core topics in a direct and concise manner that makes it a quick read and easy to understand Doody's Review Service Pearls of Wisdom ACLS Review 3e is your most effective weapon in preparing for the American Heart Association's Advanced Cardiac Life Support exam This rapid effective review ensures your best possible performance on the exam in the shortest possible study time There is no easier or faster way to ensure that you perform your best FEATURES 1200 rapid fire questions cover all topics on the ACLS exam Powered with performance improving pearls and other potent learning aids Updated to reflect the 2005 AMA guidelines NEW chapter on child and infant CPR and ventilation *Critical Care Pearls of Wisdom* Richard Lenhardt, Jonathan Adler, Scott H. Plantz, 1998 **Emergency Medicine** William G. Gossman, Scott H. Plantz, Jonathan Adler, 2000 The Poisons Quiz Book John Harris Trestrail, 2001 This book will help you to learn some medicine Originally designed as a study aid to improve performance on the Inservice and Written Board exams this book is full of useful information Primarily intended as a study aid the text is written in rapid fire question answer format This way readers receive immediate gratification Moreover misleading or confusing foils are not provided Additional hooks may be

attached to the answer in various forms including mnemonics visual imagery repetition and humour Additional information not requested in the question may be included in the answer Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to be needed on board examinations

Physical Medicine & Rehabilitation Robert J. Kaplan, 2003 Given the requirement to maintain certification within the speciality of Physical Medicine and Rehabilitation concise compendiums of the curriculum of PM R are an asset The proliferation of PM R journal and book publications testifies to the growth of the speciality in regard to our workforce as well as our clinical knowledge base The format and content of this edition is derived from the ABPM R outline certification booklets The review book does not reproduce the outline contents in a rigid construct The structure of the book contents and format are intended to survey the curriculum contents of PM R in a coherent and meaningful manner The book will likely be of value as well to PM R residents preparing for their written and oral certification examinations

Otolaryngology Mary Talley Dorn, 2002 Primarily intended as a study aid this text is structured in a question and answer format Most of the questions are short with short answers This is to facilitate moving through a large body of information Such a format while quite unlike the format used in the actual Board Examination is useful to enable you to assess your strengths and weaknesses in a particular area This allows you to concentrate further studies on areas of interest or weakness Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to occur frequently on board examinations The questions within each chapter are randomly arranged to simulate board examinations and the way questions arise in real life

Toxicology Michael I. Greenberg, 2002 Exam review to aid the reader in passing toxicology course exams and boards

PALS (Pediatric Advanced Life Support) Review: Pearls of Wisdom, Third Edition Guy Haskell, Marianne Gausche-Hill, 2007-05-09 4 STAR DOODY S REVIEW The purpose is to help healthcare professionals study learn and retain critical information needed for the emergency care of children and improve performance on the PALS final exam Numerous healthcare professionals are required to pass a PALS course each year The book is easy and fast to read while closely following current American Heart Association guidelines To review the content covered in a PALS course this book uses a question and answer format to decrease the amount of reading and to emphasize the main learning points Only the correct answers are provided This format will help the reader avoid wasting time reading reviewing and possibly learning incorrect information this study guide is attractive for its time saving easy to read format that emphasizes major learning points Doody s Review Service Updated to meet the 2005 American Heart Association Guidelines this rapid fire question and answer book is required reading for anyone preparing for PALS Pediatric Advanced Life Support certification or recertification

Pathology Cory A. Roberts, Boston Medical Publishing, 2002 This book will help you learn about pathology as well as prepare for the pathology board examination This book is structured in a question and answer format This permits the reader to concentrate on areas of interest or weakness Most of the questions are short with short answers This facilitates

moving through a large body of knowledge Some of the questions have longer answers In these situations the questions were not altered because of the clinically interesting question posed Certain topics have been repeated in a single chapter and across chapters This was intentional Some topics are so important to a practitioner that repetition was utilised as a learning tool Each question is preceded by two boxes to permit the reader to check off areas of interest weakness or simply noting that it had been read This allows for re reading without having uncertainty of what was reviewed earlier Urology David A. Levy,2001 The primary intent of this book is to serve as a rapid review of Urology principles and serve as a study aid to improve performance on Urology written and practical examinations With this goal in mind the text is written in rapid fire question answer format The student receives immediate gratification with a correct answer Questions themselves often contain a pearl reinforced in association with the question answer Additional hooks are often attached to the answer in various forms including mnemonics evoked visual imagery repetition and humour Additional information not requested in the question may be included in the answer The same information is often sought in several different questions Emphasis has been placed on evoking both trivia and key facts that are easily overlooked are quickly forgotten and yet somehow always seem to appear on Urology exams **The Writers Directory** ,2004 *Gastroenterology and Hepatology* John K. DiBaise,2000 Primarily intended as a study aid this text is structured in a question and answer format Most of the questions are short with short answers This is to facilitate moving through a large body of information Such a format while quite unlike the format used in the actual Board Examination is useful to enable you to assess your strengths and weaknesses in a particular area This allows you to concentrate further studies on areas of interest or weakness Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to occur frequently on board examinations The chapters are organised to include all aspects of gastroenterology and hepatology
