Free Yourself Be Yourself Find The Power To Escape Your Past:

Free Yourself, Be Yourself Alan D. Wright, 2010-04-13 Hope for the Restless Hurting Heart Shame on you We've all heard those words and felt the sting in our souls We might try hard to earn love and acceptance for a while but eventually we find ourselves exhausted anxious despaired Shame can motivate us to try harder but it never sets us free It is in short a lie that steals real peace and hides true joy Now Alan D Wright shares in a refreshing new way how to let the grace and power of Jesus Christ transform you and unlock the key to an entirely new way of living and loving While he experienced this liberation for himself as a pastor he has also guided countless others to the same place of freedom Here's how to give up your tireless quest for the approval of others find rest in God's love and turn the exhortation upside down where the shame comes off you for good They Say Success Is Sweet Too Bad You Don't Enjoy It You could be relishing your accomplishments Instead are you plagued with Feeling like the pressure's always on Wishing it didn't matter so much what others think of you The same reoccurring sins or addictions Regret for criticizing those you love Then it's time to overthrow the tyrant within It's a lie called shame that whispers You're not good enough With a brilliant combination of humor biblical wisdom and practical guidance pastor Alan Wright invites you to get grounded in God's grace It's the only Truth powerful enough to banish the lie And it's the only way you can receive the life you struggle so hard for but never attain A place of contentment and love is waiting for you if you dare accept the gift Don't wait Get the shame off you for good Story Behind the Book When I was in the fourth grade we had a family meeting at which my dad announced that he wouldn't be living at home anymore Thus ended my happy world I launched into a life of superlative success But my secret master motivation was not joy but fear Some years ago I began a ruthless self inventory that uncovered the various manifestations of shame in my life I found that it was not as powerful as I once thought and that I could change by the healing grace of Jesus Christ Over the years I developed a passion for telling people how they could release their shame to Christ and be healed by His love and grace Alan D Wright For Blessing or for Destruction Abigail Skyz, 2016-06-29 Abby never dreamed she would not be the one to finish raising her children After all she was the one who had the encounter with Jesus Christ that changed her life forever How did this happen where did she go wrong The reader will explore the aftermath from Abby's personal experiences as she walked through the floods that ravaged her home and how she survived to tell about it Had this book been available in 1977 Abby would have bought it It would have been a source to help open her eyes on the importance of identifying and healing her own past childhood hurts in order to become healthy emotionally and empowered to stay away from unhealthy abusive men Abby would have learned how to proactively help her children guiding them on the road to healthy happy productive lives from the start It is a delicate and awkward subject discussing an abusive marriage that entails child sexual abuse and the horrific after effects of such abuse Could it be that God called Abby into His kingdom for such a time as this Former co host of the 700 Club Sheila Walsh wrote a book titled Honestly that book was a key factor in helping Abby to face and process her own past

Ellington,2019-05-01 *Way of Escape* is a true life long story that starts with the rape of a four year old girl The very people she should have been able to trust and run to for help betrayed her and introduced her to a realm of repeated sexual violation and other forms of ritual abuse The incidents of her early life defined her self concept and dictated her life course It portrays some of the abusive and

ritualistic events in her life some are described quite graphically all are demonically inspired and represent the potential for evil in the hearts and minds of mankind The book's purpose is not to place blame on any group or individual but to give credibility to survivors of abuse and through the life of this little girl offer reassurance that God is real He is faithful and will always provide a way of escape even when it is physically impossible to break free God lovingly separates our consciousness and physical perceptions from the inescapable abuse He allows us to leave while still being physically held captive to dissociate ourselves from the painful situation In the realm of psychiatry dissociation is labeled as a disorder Dissociative Identity Disorder formerly Multiple Personality Disorder When there is no power or means to physically flee from a situation how can being able to mentally and emotionally leave and preserve one's self be called a disorder In an inescapable abusive situation fear and physical pain are the most horrific aspects of the victimization How then can it not be a blessing of God to escape to a place of psychological refuge where there is no pain no fear If someone being assaulted were able to run away to safety would they not be considered resourceful heroic and extremely fortunate Why then is this inward escape viewed with skepticism or condemnation The victim desperately strives to neutralize the terror and prevent the physical and emotional pain Any method by which this is achieved must be applauded as inventive and courageous In cases of childhood sexual satanic or repetitive trauma dissociation is an effective method of survival Just as the abusive events are sequestered away from the conscious memory non traumatic segments of one's life are also hidden away inaccessible There may be limited memory of milestone events early childhood school years significant relationships weddings childbirth professional experiences emotional losses or joyous events Looking back on life seems like the replay of a video from which segments have been removed and the remaining scenes re attached in non sequential random order There are parts of the plot that don't make sense because there is nothing connecting them to the original story God promises to give back the lost scenes the experiences that were stolen from us for the gratification of others He splices back together the soul that was fragmented so events can be remembered and reprocessed in their entirety without re experiencing the emotional and physical trauma Above all Way of Escape is a story of redemption From the sexual betrayal disillusionment and ritualistic abuse of a small child through her fragmented emotionally volatile youth and early adulthood God is faithful to bring about reclamation of innocence once lost and restoration of a shattered soul The journey is laborious and emotionally challenging but through the counselor's skilled and compassionate dedication God's unconditional love and wisdom and the willingness of the broken human spirit to be healed the chains of bondage are broken and wholeness is restored The author's hope is that the shame guilt and destructive life path that often result from emotional trauma be resolved and replaced with a positive self concept absence of self persecution and a future of hope and freedom from the past
