Supporting Education □ The Teaching Assistant's Handbook Karen Kearns, 2012-05-07 Supporting Education The Teaching Assistant's Handbook provides the essential information needed to complete the Certificate III in Education Support in the Community Services Training Package This resource provides Teaching Assistants within overview of child development and how children learn as well as an introduction to the key learning areas for primary school students Links to a wide range of online resources and information are also included along with strategies for working with students and teachers **Empowering Families** Judy Bradbury, Susan E. Busch, 2015-04-24 The home school connection is important to student literacy achievement However it can be time consuming to develop and implement programming that keeps families engaged and involved Empowering Families makes it easier to accomplish these goals Chock full of step by step plans for arranging a variety of parent caregiver meetings and literacy booster events the book enables educators to get families involved in their children's learning in ways that are fun and non intimidating By hosting these events at your school you'll be empowering families to read aloud to their children at home minimize the summer slide encourage male involvement in literacy help their children avoid homework hassles and much much more Bonus The book includes ready to use handouts for your events such as announcement sheets follow up evaluations and tipsheets that describe ways parents can reinforce literacy at home These handouts are photocopiable and the tipsheets are also available for easy download from our website at www.routledge.com/9781138803114 Spanish versions of the tipsheets are available on our website as well

Personalized Reading Nancy Hobbs, Kristen Sacco, Myra R. Oleynik, 2010-11-15 This guidebook provides teachers and librarians with methods for collaboratively teaching elementary students to select books they will enjoy and which will further their personal growth and information literacy Motivating young students to read is instrumental for the development of strong information literacy and communication skills as well as for building a lifelong habit of seeking information and enjoyment through written materials The authors of Personalized Reading It's a Piece of PIE are three highly experienced teachers one of whom is a school librarian This text describes the steps of the PIE program in detail including chapters on selecting a book reading it writing about it and extending beyond that title Utilizing the PIE program will teach students to make selections at an appropriate reading level expand from choosing titles in the same genre or from the same author and recognize and abandon a book of low interest to them Within each chapter are explanations of the theories behind each step and practical ideas that teachers and librarians can implement collaboratively in the classroom and library Tech-Savvy Reading Promotion Nancy J. Keane, 2019-04-17 Unleash new possibilities for reading promotion and readers advisory with these technological tools that can help you to catch the interest of young readers and direct them toward positive reading experiences Gone are the days of browsing library bookshelves today's readers live much of their lives on their devices Learn how to meet these young readers in their online activities by using technological tools that support independent reading and

reading choices This book shows you how to use not only more traditional social media such as Facebook and blogs but also video audio and print applications databases and more You ll learn how to use new apps such as Moovly Koma Koma and Booksnap well known media including Twitter Skype Flickr and Goodreads and Soundcloud Smore Flipgrid and ebook clubs for reading promotion and readers advisory For each of these technologies you ll find a brief description of the platform its content and applications notes about the platform and its cost how to use it for book promotion and step by step instructions for promotional activities Screenshots and drawings illustrate the instructions

Children's Literature and Learner Empowerment Janice Bland, 2013-08-29 Children s literature can be a powerful way to encourage and empower EFL students but is less commonly used in the classroom than adult literature This text provides a comprehensive introduction to children s and young adult literature in EFL teaching It demonstrates the complexity of children s literature and how it can encourage an active community of second language readers with multilayered picturebooks fairy tales graphic novels and radical young adult fiction It examines the opportunities of children s literature in EFL teacher education including the intertextuality of children s literature as a gate opener for canonised adult literature the rich patterning of children s literature supporting Creative Writing the potential of interactive drama projects Close readings of texts at the centre of contemporary literary scholarship yet largely unknown in the EFL world provide an invaluable guide for teacher educators and student teachers including works by David Almond Anthony Browne Philip Pullman and J K Rowling Introducing a range of genres and their significance for EFL teaching this study makes an important new approach accessible for EFL teachers student teachers and teacher educators

1001 Best Websites for Parents Lynn Van Gorp, 2001

Literacy Essentials Regie Routman, 2018

How do we ensure that all students are engaged each day in meaningful challenging and joyful work and have equal opportunity to learn That is the central question Regie Routman addresses in *Literacy Essentials Engagement Excellence and Equity for All Learners* Her response is that such an outcome is only possible within a culture of empowerment in which all students and teachers feel encouraged and supported to let their voices be heard explore their passions and interests develop deep knowledge and become their fullest and truest selves Based on her ongoing teaching leading and coaching in diverse schools and districts Regie offers K 12 teachers and leaders practical easy to implement tools to help students develop as self determining readers writers and learners including Take Action sections with specific suggestions for authentically teaching assessing and learning Extensive research that is easily accessible and actionable Personal stories that connect to literacy teaching and learning Rich online resources including a comprehensive lesson plan an easy to use study guide downloadable Appendices and more *Literacy Essentials* shows what s possible when teachers and schools raise expectations for all students and create an intellectual culture based on trust collaborative expertise and celebration of learners strengths
