*The Ex-Boyfriend Yard Sale* Haley McGee, 2022-02-01 In this hilarious and heartfelt memoir Haley McGee sets out to calculate with mathematical precision the exact cost of love and whether all of her former relationships were worth it Haley McGee is in debt The solution A yard sale of gifts from her ex boyfriends But when it comes to pricing she gets stuck Surely the ways we invest in our romantic relationships should be reflected in the price But how Is the mixtape from your first love worth more than the vintage typewriter from a philanderer Does sitting on an X Acto knife wedged between seats on a bus to see the boyfriend you lost your virginity to increase or decrease the value of the necklace he gave you Should you be compensated for the miserable times or do they render an item worthless Haley decides to gamble on a larger payout She interviews her exes and enlists the help of a mathematician to create a formula with eighty six variables for the cost of love As she s searching for answers the one that got away reappears with a new proposition Female desire heartbreak and the chance for integrity in the aftermath of both are held up in this whipsmart original and daringly candid memoir As Haley McGee interrogates her romantic triumphs and failures with unflinching detail and hilarity her exquisite prose elevates this all too human conundrum Is love worth it Catalog of Sears, Roebuck and Company Sears, Roebuck and Company, 1981
