The Control Trap Barbara Sullivan, 1991-04-01 God's Loving Invitation to Women to Rest Rather Than to Control I meant well I only wanted to fix things and people I thought it was my duty to keep my husband on track and to keep our children from making mistakes and getting hurt I wanted to keep our friends healthy and happy And I was concerned about keeping our spiritual leaders wise But somehow in the process I ended up taking the burden of our world upon my own shoulders I often made the mistake of believing that my will for those I loved must be their highest good And that is where I began to go amiss to lose my peace and to cause unhappiness and conflict for others I was caught in the control trap Sound familiar Being in control is a human way of feeling secure getting problems solved getting things done right But God has called women to a life of trust and ever increasing faith free of debilitating emotions and out of balance relationships It is possible to spiritually break through the control problem and to trust in a Father who never disappoints who holds the whole world in His hands The results are transforming
