I always used to struggle to find time to cook a nutritious meal for my kids since I have to work during the days and come home late. Thank goodness I discovered freezer recipes; all you have to do is cook these meals on the weekend when there is time and pop them in the freezer. When you want to serve these recipes, all you have to do is thaw the meal and set the oven. This means you can have a delicious home-cooked meal without much effort or time. Here are some tips for freezer meals: Seal your freezer meal tightly and make sure to get out as much air as possible before freezing. Use ziplock bags when possible; using plastic tupperware containers can take up more space in your freezer than necessary. Keep track of how long your meals have been in the freezer; most freezer recipes are good until one month, some may be less. Follow the freezing instructions on the recipes. We hope you enjoy these delicious freezer meals. Good luck! [Freezer Meals](#) Aimee Anderson, 2013-05-01
