

A photograph of a dirt path leading through a forest. The path is covered in fallen leaves and leads towards a bright light at the end of the path. The trees on either side have autumn-colored foliage, with some evergreen trees visible in the background.

Freedom and love go together. Love is not a reaction. If I love you because you love me, that is mere trade, a thing to be bought in the market; it is not love. To love is not to ask anything in return, not even to feel that you are giving something- and it is only such love that can know freedom.
