General George Hannibal Busch General George Hannibal Busch:

General George Hannibal Busch David L. Chisling,2009-12-08 And now for something completely different Monty python The world the truth An original history book of political satire fantasy about the glorious president and military occupation of Iraq The roots and background of this book come from my university degree in Classic History combined with a profound interest in Military History This knowledge triggered a simple and intriguing idea during the heated U S Presidential election of 2004 I observed that the U S Militarys invasion and occupation of Iraq in 2003 reminded me of General George Armstrong Custers Indian Campaign of 1876 The never ending bloody fight in Iraq against savage enemies by the U S Army appeared similar to Custers epic massacre of the 7th Cavalry Regiment at the Little Big Horn I started making several jokes about this at my workplace and the jokes expanded into a book idea I now give you the futuristic fantasy tale of General George Hannibal Busch and the epic Battle of the Little Big Oil Well in the great U S Iraq Wars of the 22nd Century This book will expand into a series covering the overall War on Terror
