## **Dynamic Oneness The Significance And Flexibility Of Pauls One God Language:**

**Dynamic Oneness** Suzanne Nicholson,2010-01-01 The apostle Paul affirms in several places that there is only one God Yet in the same letters Paul also gives praise to the Lord Jesus Christ often using language similar to his descriptions of God How can this self avowed Hebrew of Hebrews reconcile these ideas This book explores the strongest one God statements in Paul s undisputed letters and asks how Paul s Jewish monotheistic understanding informs his overall argument These three texts 1 Corinthians 8 6 Galatians 3 20 and Romans 3 30 occur in very different contexts and address different issues By looking at the historical cultural and grammatical contexts of these passages as well as Paul s language about God and Christ elsewhere in these letters Dr Nicholson argues that Paul s understanding of the one God is not static or perfunctory rather it is dynamic and flexible influencing significant aspects of Paul s Gospel message Paul s ethics his view of salvation history and his soteriology are fundamentally shaped by his understanding of the one God of Israel *Dynamic Oneness* Suzanne Beth Nicholson,2007

**Christology in Review: A Layman's Take on Books about Christology** Nick Norelli,2017-09-27 The subject of early Christology is at the heart of the Christian faith Believers in Jesus have been pondering the question that Jesus himself asked his disciples in Caesarea Philippi Who do you say that I am Matt 16 15 Scholars have labored for years to answer this question from a variety of perspectives and they ve come to some drastically different conclusions In *Christology in Review* Nick Norelli collates a number of book reviews on the topic of early Christology that originally appeared on his blog Rightly Dividing the Word of Truth The reviews contained in this volume range in length and focus but they all offer critical interaction with scholarship from one end of the spectrum to the other **God in Paul's Letters** Timothy

Milinovich,Normand Bonneau,Robert F. O'Toole S. J.,2023-06-29 In Pauline studies where Christological questions have often carried the day Paul s understanding of God is emerging to play an equally important role What did it mean to the apostle that God is sovereign Lord of history and creation This volume explores the various ways that the theme of God is foundational to Paul s seven undisputed letters with attention to the diverse perspectives of each letter In addition the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing The authors engage as well challenging questions including Paul s views on evangelizing all people Jew and Gentile alike Readers will come away with a deeper appreciation for both the theology and the Christology of Paul whose understanding of God provides the key to the salvific plan realized in Christ **Paul's Designations of God in Romans** Wing Yi Au,2023-08-03

Wing Yi Au investigates Paul s ways of characterizing God in Romans and finds that Paul s divine designations in the letter trace God s essential salvific activities Meanwhile special emphasis is put on the inclusion of Gentiles in God s plan of salvation **Paul's Divine Christology** Chris Tilling,2015-02-10 *The Pauline Christology of 1 Corinthians 8:6* Emad

Atef Ezzat Hanna,2023-07-27 This thesis aims to investigate the Christology presented in 1 Cor 8 6 as it is one of the most important christological texts in the New Testament and to do this against the backdrop of the modern scholarly discussion

about New Testament Christology The present thesis argues that divine Christology in this text is the essential component for our understanding of the Pauline Christology and the earliest Christology of early Christians     When Paul Met Jesus  
Stanley E. Porter,2016-02-24 This volume examines the idea once held by some scholars that Paul may have met Jesus during Jesus earthly ministry     *God is One'* Christopher R. Bruno,2014-03-27 In discussions of Paul s letters much attention has been devoted to statements that closely identify Christ with Israel s God i e 1 Cor 8 6 However in Rom 3 30 and Gal 3 20 Paul uses the phrase God is one to link Israel s monotheistic confession and the inclusion of the Gentiles in the people of God Therefore this study traces the OT and early Jewish backgrounds of the phrase God is one and their possible links to Gentile inclusion Following this Christopher Bruno examines the two key Pauline texts that link the confession of God as one with the inclusion of the Gentiles Bruno observes a significant discontinuity between the consistent OT and Jewish interpretations of the phrase and Paul s use of God is one in relation to the Gentiles In the both the OT and earlyJewish literature the phrase functions as a boundary marker of sorts distinguishing the covenant people and the Gentiles The key exception to this pattern is Zech 14 9 which anticipates the confession of God as one expanding to the nations Similarly in Romans and Galatians the phrase is not aboundary marker but rather grounds the unity of Jew and Gentile The contextand arguments in Rom 3 30 and Gal 3 20 lead to the conclusion that Paul s monotheism must now be understood in light of the Christ event moreover Zech14 9 may play a significant role in the link between Paul s eschatological monotheism and his argument for the inclusion of the Gentiles in Romans and Galatians     **Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards ,2008**
