Dynamics Of Social Movements In Hong Kong The:

Crisis, Movement, Management: Globalising Dynamics James Goodman, Jonathan Marshall, 2016-05-23 Globalised neo liberalism has produced multiple crises social ecological political In the past crises of global order have generated large scale social transformations and the current crises likewise hold a transformative promise Social movements become a crucial barometer in signalling both the demise and rise of political formations and programs Elite strategies framed as crisis management create their own disordering side effects Experiments in movement strategy gain greater significance as do contending elite efforts at repressing managing or displacing the fall out In this book we investigate both movements and management in the face of crisis taking crisis and unanticipated consequences as a normal state of play The book enquires into the winners and losers from crisis and investigates the movement management nexus as it unfolds in particular localities as well as in broader contexts The book deals with some of the most pressing conflicts of our time and produces a range of theoretical insights the ubiquity of crisis is seen as not only a hallmark of social life but a way into a different kind of social analysis This book was published as a special issue of Globalizations

The Dynamics of Social Movements in Hong Kong Stephen Wing Kai Chiu, Tai Lok Lui, 2000-01-01 Studies of Hong Kong society have long focused one sidedly upon economic prosperity and political stability Contributors to this volume redress this imbalance by taking a critical view of Hong Kong's political development from the perspectives of social conflict and collective action Instead of looking at Hong Kong from the top this volume documents the active role played by local actors from below political groups student activists trade unions women groups environmentalists and community organizers and their impact on social and political development in Hong Kong society in the context of political transition and democratization economic restructuring and an emergent local identity

The Oxford Handbook of Social Movements Donatella Della Porta, Mario Diani, 2015 The Oxford Handbook of Social Movements is an innovative volume that presents a comprehensive exploration of social movement studies mapping the field and expanding it to examine the recent developments in cognate areas of studies within and beyond sociology and political science This volume brings together the most distinguished social and political scientists working in this field each writing thought provoking essays in their area of expertise and facilitates conversations between classic social movement agenda and lines of research The Oxford Handbook of Social Movements discusses core theoretical perspectives recent contributions from the field and how patterns of macro social change may affect social movements as well as suggesting what contributions social movement studies can give to other research areas in various disciplines

Contentious Data in Movement Cristina Flesher Fominaya, MILAN STEFANIA, Davide Beraldo, 2024-12-16 This book explores the profound transformations brought about by the datafication of society and reflects on the implications this has for activism social movements and contentious politics The result is a collection of chapters that advance the field of social movement studies theoretically and empirically enabling us to better understand these transformations and offering a vocabulary and conceptual apparatus that facilitates a

truly interdisciplinary dialogue Through rich case studies empirical examples novel insights and provocative reflections the book serves as an invitation for scholars and activists to reflect on the theoretical empirical methodological and ethical implications of the datafied society and its consequences for social movement activism The volume will be of great interest to scholars and researchers of social movements political science social anthropology and ethnography The chapters in this book were originally published as a special issue of *Social Movement Studies*
