*Bench Mode Training Manual* David Hampton, 2021-12-07 Hampton Strength Systems was written by Dave Hampton a former endurance athlete who discovered the secret of transforming his formerly skinny marathon runner physique into a huge powerful and intimidating mountain of muscle Dave has only revealed these secrets to a few of his personal friends that he trained to be champion powerlifters He has never revealed any of this information to the general public until NOW This is the routine that Dave put together which doubled his bench press in 3 years 225 450 pounds Through trial and error Dave developed a unique 4 cycle rotating bench press blueprint plan He tried many other plans but none of them produced an increase in his and many others bench pressing strength like the one presented in this chapter The uniqueness of Dave s 4 cycle rotating bench press plan is in its simplicity He uses very practical methods that are virtually guaranteed to maximize the bench press poundage of the anabolic drug free power bodybuilder Dave strongly suggests that anabolic drug free power bodybuilders must train differently than the drug users and proves it If you are desperate to improve your current bench press poundage big time and want to do so for years to come then you will definitely want to read this chapter The Westside Barbell Bench Press Manual Louie Simmons, 2009 *The Bench Press* Frederick C.
