John Gregory, John Gurgany

Embodiment And Virtue In Gregory Of An Anagogical Approach:

Embodiment and Virtue in Gregory of Nyssa Hans Boersma, 2013-03-01 Embodiment in the theology of Gregory of Nyssa is a much debated topic Hans Boersma argues that this worldly realities of time and space which include embodiment are not the focus of Gregory's theology Instead embodiment plays a distinctly subordinate role The key to his theology Boersma suggests is anagogy going upward in order to participate in the life of God This book looks at a variety of topics connected to embodiment in Gregory's thought time and space allegory gender sexuality and virginity death and mourning slavery homelessness and poverty and the church as the body of Christ In each instance Boersma maintains Gregory values embodiment only inasmuch as it enables us to go upward in the intellectual realm of the heavenly future Boersma suggests that for Gregory embodiment and virtue serve the anagogical pursuit of otherworldly realities Countering recent trends in scholarship that highlight Gregory's appreciation of the goodness of creation this book argues that Gregory looks at embodiment as a means for human beings to grow in virtue and so to participate in the divine life It is true that as a Christian thinker Gregory regards the creator creature distinction as basic But he also works with the distinction between spirit and matter And Nyssen is convinced that in the hereafter the categories of time and space will disappear while the human body will undergo an inconceivable transformation This book then serves as a reminder of the profoundly otherworldly cast of Gregory's theology

Dying and the Virtues Matthew Levering, 2018-01-23 In this rich book Matthew Levering explores nine key virtues that we need to die and live well love hope faith penitence gratitude solidarity humility surrender and courage Retrieving and engaging a variety of biblical theological historical and medical resources Levering journeys through the various stages and challenges of the dying process beginning with the fear of annihilation and continuing through repentance and gratitude suffering and hope before arriving finally at the courage needed to say goodbye to one's familiar world Grounded in careful readings of Scripture the theological tradition and contemporary culture Dying and the Virtues comprehensively and beautifully shows how these nine virtues effectively unite us with God the One who alone can conquer death

three sections which correspond to the main directions that Christos Yannaras has followed philosophy theology and culture and reflects on the ways in which Yannaras has engaged and influenced thought across these fields in addition to themes including ecclesiology tradition identity and ethics This volume facilitates the dialogue between the thought of Yannaras which is expressed locally yet is relevant globally and Western Christian thinkers It will be of great interest to scholars of Orthodox and Eastern Christian theology and philosophy as well as theology more widely *African Church Fathers - Ancient and Modern* Hans S. A. Engdahl, 2021-01-26 This critical and close reading of two African theologians Origen 185 254 and Mbiti 1931 2019 focuses on the following areas philosophy African philosophy and religion and Platonic cosmology ecclesiology and eschatology a parallel presentation of these three themes leads to a fourth theme that of the resurrection where it is argued that there exists a consensus and a convergence between the two This reading also highlights two convictions that partly have caused strong criticism Mbiti has suggested that African philosophy and religion have a conception of time of their own Origen that all and everything is gradually moving towards an apokatastasis at which point all will be saved Yet the contention is that even more important to both Mbiti and Origen is the resurrection of Jesus Christ In order to establish the impact of the resurrection on their lives as Christians and as theologians a contrast reading has been undertaken i e texts are identified which underline the need to forge a link between the resurrection and the earthly ministry of Jesus These texts also underwrite the conviction of Mbiti as well as Origen of the resurrection as something which must be lived in church and society corporately as well as in personal devotion The fact of resurrection creates a new mode of life

Florilegia Syriaca: Mapping a Knowledge-Organizing Practice in the Syriac World Emiliano Fiori, Bishara Ebeid, 2023-02-17 From the 6th century onwards Syriac patristic florilegia collections of Greek patristic excerpts in Syriac translation progressively became a prominent form through which Syriac and Arab Christians shaped their knowledge of theology In these collections early Greek Christian literature underwent a substantial process of selection and reorganization The papers collected in this volume study Syriac florilegia in their own right as cultural products possessing their own specific textuality and outline a phenomenology of Syriac patristic florilegia by mapping their diffusion and relevance in time and space from the 6th to the 17th century from the Roman Empire to China Patristic Spirituality, 2022-09-19 How does one grow holy in such times This question drove the early Christian imagination no less than it does today Patristic Spirituality Classical Perspectives on Ascent to the Divine features numerous studies offering an itinerary for early Christian believers wishing to enter into the divine presence Readers will discover an array of perennial early Christian wisdom into the practical challenges of ascent a work of God in Christ transforming and incorporating us says Lewis Ayres See how early Christians cultivated the life of grace with hospitality silence almsgiving and other ascetic practices for human elevation into mystical union with God Contributors are Benjamin D Wayman John S Bergsma and Luke Iyengar Hans Boersma Stanley E Porter Gregory Vall Don W Springer Bogdan G Bucur Amy Brown Hughes Sean Argondizza Moberg

Stephen M Hildebrand Brian Matz Anna Silvas Ann Conway Jones Sandy L Haney Despina D Prassas Gerald Boersma Brian E Daley Andrew Louth Jonathan L Zecher Kevin M Clarke Lewis Ayres **Gregory of Nyssa's Hermeneutic of Virtue** David Paul Aikins Ney, 2010 This thesis investigates the relationship between Gregory's theology of virtue and his biblical hermeneutic It proposes that the central role that virtue plays in Gregory's biblical hermeneutic leads to the conclusion that Gregory's hermeneutic is a hermeneutic of virtue which is to say that the interpretive decisions Gregory makes are largely determined by his desire to compel his audience to act virtuously and to instruct them about the path of virtue leading to deification This conclusion is particularly important for our understanding of Gregorian allegorical exegesis which modern interpreters have often found to be a stumbling block to an appreciation of his work This thesis argues that Gregory's employment of allegorical exegesis is best understood in light of its function within Gregory's hermeneutic of virtue As an exercise in historical theology this thesis analyzes Gregory's theology of virtue within its philosophical context and examines Gregory's biblical hermeneutic in light of current discussions about the nature of patristic biblical interpretation This thesis concludes by integrating the findings of these two pursuits **The Sacred Writings of Gregory of Nyssa (Annotated Edition)** Gregory of Nyssa, 2012 The Sacred Writings Of provides you with the essential works among the Early Christian writings The volumes cover the beginning of Christianity until before the promulgation of the Nicene Creed at the First Council of Nicaea This volume is accurately annotated including an extensive biography of the author and his life Gregory of Nyssa c 335 c 395 also known as Gregory Nyssen was bishop of Nyssa from 372 to 376 and from 378 until his death He is venerated as a saint in Roman Catholicism Eastern Orthodoxy Oriental Orthodoxy Lutheranism and Anglicanism Gregory his brother Basil of Caesarea and Gregory of Nazianzus are collectively known as the Cappadocian Fathers Gregory lacked the administrative ability of his brother Basil or the contemporary influence of Gregory of Nazianzus but was an erudite theologian who made significant contributions to the doctrine of the Trinity and the Nicene creed Gregory's philosophical writings were influenced by Origen and he is generally considered to have believed in universal salvation Since the mid twentieth century there has been a significant increase in interest in Gregory's works from the academic community which has resulted in challenges to many traditional interpretations of his theology courtesy of wikipedia com Excerpt from Contents Gregory of Nyssa Against Eunomius Letter I Letter II Book I Book II Book III Book IV Book V Book VI Book VII Book VIII Book IX Book X Book XI Book XII Introduction on Epinoia Answer to Eunomius Second Book On the Holy Spirit Against the Followers of Macedonius On the Holy Trinity and of the Godhead of the Holy Spirit On Not Three Gods On the Faith Ascetic and Moral Treatises On Virginity On Infants Early Deaths On Pilgrimages Philosophical Works Note on the Treatise On the Making of Man On the Making of Man On the Soul and the Resurrection Apologetic Works The Great Catechism Oratorical Works Funeral Oration on Meletius On the Baptism of Christ Letters Letter I To Eusebius Letter II To the City of Sebasteia Letter III To Ablabius Letter IV To Cynegius Letter V A Testimonial Letter VI To Stagirus Letter VII To a Friend

Letter VIII To a Student of the Classics Letter IX An Invitation Letter X To Libanius Letter XI To Libanius Letter XII On His Work Against Eunomius Letter XIII To the Church at Nicomedia Letter XIV To the Bishop of Melitene Letter XV To Adelphius the Lawyer Letter XVI To Amphilochius Letter XVII To Eustathia Ambrosia and Basilissa Letter XVIII To Flavian

Exploring Gregory of Nyssa Anna Marmodoro, Neil B. McLynn, 2018 The essays that comprise this volume were first presented at a seminar on Gregory of Nyssa that we convened in Oxford in 2016 Page v **Gregory of Nyssa** Anthony Meredith, 2012-10-12 Gregory of Nyssa provides a concise and accessible introduction to the thought of this early church father with new translations of key selections of his writings Anthony Meredith presents a diverse range of Gregory's writings his contribution to the debates of the period about the nature of God in argument with a form of extreme Arianism his discussion of the nature and work of the Holy Ghost against the so called Spirit fighters his defence of the humanity of Christ against those who denied it notably Apollinarius the nature of fate and other philosophical issues □□□□ □□□□ □□□□, 2021-05-26 From Glory to Glory Gregory, 1961 **Gregory of Nyssa and the Grasp of Faith** Martin S. Laird, 2004 Scholars of Gregory of Nyssa have long acknowledged the centrality of faith in his theory of divine union To date however there has been no sustained examination of this key topic The present study fills this gap and elucidates important auxiliary themes that accrue to Gregory's notion of faith as a faculty of apophatic union with God The result adjusts how we understand the Cappadocian's apophaticism in general and his so called mysticism of darkness in particular After a general discussion of the increasing value of faith in late Neoplatonism and an overview of important work done on Gregorian faith this study moves on to sketch a portrait of the mind and its dynamic varying cognitive states and how these respond to the divine pedagogy of scripture baptism and the presence of God With this portrait of the mind as a backdrop we see how Gregory values faith for its ability to unite with God who remains beyond the comprehending grasp of mind bestowing on faith qualities which Plotinus would have granted only to the crest of the wave of intellect While Gregorian faith serves as the faculty of apophatic union with God faith yet gives something to mind This dimension of Gregory's apophaticism has gone largely unnoticed by scholars At the apex of an apophatic ascent faith unites with God the Word by virtue of this union the believer takes on the qualities of the Word who speaks logophasis in the deeds and discourse of the believer Finally this study redresses how Gregory has been identified with a mysticism of darkness and argues that he proposes no less a mysticism of light *Pride According to Gregory the Great* Matthew Baasten, 1986 Examining the ethical teachings of Gregory the Great this study seeks to demonstrate the degree of continuity in medieval theology by discussing the influence of Augustine on Gregory and then Gregory on Thomas Aquinas **Gregory of Nyssa, To Harmonius on Christian Profession** Saint Gregory (of Nyssa), Clarence L. Fisher, 1964 **The Works of ... John Gregory in Two Parts** John Gregory, John Gurgany, 1665

Eventually, you will enormously discover a further experience and execution by spending more cash. yet when? do you agree to that you require to acquire those all needs in the same way as having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to comprehend even more in this area the globe, experience, some places, like history, amusement, and a lot more?

It is your utterly own period to feign reviewing habit. accompanied by guides you could enjoy now is **Embodiment And Virtue In Gregory Of An Anagogical Approach** below.
