Language Links Pre-intermediate with Answers and Audio CD Adrian Doff, Christopher Jones, 2007-05-03 A unique approach combining grammar, vocabulary and phrases to give students the range of language they need to communicate effectively. To talk about money, for example, you not only need vocabulary (credit card, bill, receipt) but also verb forms (I paid, I bought). It costs and phrases such as 'Can you lend me?', 'Can we have the bill?'. Special links between units direct you to related language areas. This means you can choose your own learning path through the book or you can work through the units systematically.
