Connection is a Song Anna Doble, 2024-05-09 I love this book SARAH CRACKNELL SAINT ETIENNE Poignant and wonderfully warm CATHY NEWMAN CHANNEL 4 NEWS Shows us how music has the power to change everything JUDE ROGERS It is 1994 In a loft bedroom in North Yorkshire fifteen year old Anna sits on the carpet immersed in the pages of Smash Hits listening to cassette tapes that she keeps in a shoebox She is dreaming of living inside the songs The very same year British music is about to be transformed and will leap from pop to rave to Britpop This new universe will change Anna's life *Connection is a Song* is a journey through the sounds of the 1990s the story of a life defining love of music and the tracks that shaped this girl's adventures through the decade It travels from the impossibly mournful Nothing Compares 2 U by Sinéad O'Connor to the delirium of the KLF's 3 a.m. Eternal via the cartoon swagger of EMF's Unbelievable Madonna's terrifyingly sexy Vogue and the guitar indie heart of the 90s where Elastica's *Connection* beats Blur and Oasis in Anna's own Battle of Britpop This is a powerful universal coming of age story and also a coming out story about growing up in an English provincial town with its suspiciously sticky nightclub floors the lingering smell of Impulse deodorant kisses that taste of cider

and songs that give Anna feelings that she has never felt before It is the tale of an outsider who through connections made at gigs mysterious black feathers and conversations in smoke filled cars finds the people and the places that will take her to her life *A to Z of Creative Writing Methods* Deborah Wardle,Julienne van Loon,Stayci Taylor,Francesca Rendle-Short,Peta Murray,David Carlin,2022-10-20 The A to Z of Creative Writing Methods is an alphabetical collection of essays to prompt consideration of method within creative writing research and practice Almost sixty contributors from a range of writing traditions and across multiple forms and genre are represented in this volume from poets essayists novelists and performance writers to graphic novelists illustrators and those engaged in multi media writing or writing related arts activism Contributors bring to this collection their distinct and diverse literary and cultural contexts defining expanding and enacting the methods they describe and providing new possibilities for creative writing practice Accessible and provocative A to Z of Creative Writing Methods lays bare new developments and directions in the field making it an invaluable resource for the teachers research students and scholar practitioners in the field of creative writing studies **The Cars** Bill
