## **Face To Face With Jesus Christ Apparitions To A Modern Visionary:**

**Unity of the Heart** Peter N. Borys, Peter N. Borys, Jr., 2008-12 In *Unity of the Heart* Peter Borys Jr presents a multidimensional mystical anthropology and transformation that forms a spirituality of the heart A heart centered consciousness opens the way to living a new vision of mystical transformation and spiritual creativity Borys develops this new vision where we live from a transcendent consciousness in our everyday life of relationships intention creativity and work in the world The book supports our pathway to experience the meditative awareness relational self giving and intention of the heart based consciousness Within the heart we can seamlessly express our nonlocal and nondual mystic self as a community of being within the universe The awakening of a consciousness of the heart unites the sciences and the mystic way to form a spiritual scientific view of our multidimensional humanity and spiritual cosmology Within the new vision personal transformation to the true self in Divine unity becomes part of the evolution to an enlightened humanity [Visions of Jesus](#) Phillip H. Wiebe, 1998-11-05 Ernie Hollands a career criminal said Christ appeared to him in his cell in Millhaven Penitentiary Maria Martinez saw Jesus at a busy intersection in Miami Florida Rose Fairs was lying in bed one morning when the Venetian blinds opened and the head of Jesus materialized before her Were these people only imagining a figure that seemed life like or is there a chance that what they saw was in some way real This first critical study of contemporary visions of Jesus offers the intriguing accounts of thirty people most of them ordinary men and women without prior or subsequent experiences of this kind who remain mystified about their encounters Wiebe recounts each vision in vivid detail exploring why these individuals believe their visions were of Jesus and why they typically believe them to be objective happenings rather than hallucinations or dreams He regards the occurrences from perspectives as diverse as biblical scholarship and parapsychology concluding that they may well represent genuine religious experiences of a mystical character The fascinating nature of these visions and Wiebe's thoughtful evenhanded approach to each report add up to a book that will be provocative reading for skeptics and the faithful alike

**Who Is This King of Glory?** Alvin Boyd Kuhn, 2007-09 This book reveals that much of Christianity and its beliefs had originated in ancient Egypt rather than the Middle East The author presents us with how where and why many spiritual Egyptian beliefs were adopted into Christian form and accepted as history as opposed to being carried over in their original mythological form Kuhn states The gospels are not and never were histories They are now proven to have been cryptic dramas of the spiritual evolution of humanity and of the history of the human soul in its earthly tabernacle of flesh For Christianity to be expressed in the way it was first intended as experienced during the first two centuries of its existence one must first acknowledge its pagan roots This is too much of a leap for most people but they have not read this book The author reveals how things were altered in the third century by the existing priesthood and why

*Medjugorje and the Supernatural* Daniel Maria Klimek, 2018-03-01 In 1981 six young people in the village of Medjugorje in what was then Yugoslavia now Bosnia Herzegovina reported that the Virgin Mary had appeared to them The Medjugorje

visionaries say that Mary has returned every day since then bringing them important messages from heaven to convey to the world Over the past three decades the Medjugorje visionaries have been subjected to extensive medical psychological and scientific examination even while undergoing their visionary experiences Daniel Klimek analyzes the scientific studies on the visionaries in juxtaposition with the major scholars and debates surrounding religious experience and concludes that a multidisciplinary approach grants a more holistic and deeper understanding of such extraordinary religious experiences

*Our Lady of the Rock* Lisa M. Bitel, 2015-08-25 For more than twenty years Maria Paula Acu has claimed to see the Virgin Mary once a month at a place called Our Lady of the Rock in the Mojave Desert of California Hundreds of men women and children follow her into the desert to watch her see what they cannot While she sees and speaks with the Virgin onlookers search the skies for signs from heaven snapping photographs of the sun and sky Not all of them are convinced that Maria Paula can see the Virgin yet at each vision event they watch for subtle clues to Mary's presence such as the unexpected scent of roses or a cloud in the shape of an angel The visionary depends on her audience to witness and authenticate her visions while observers rely on Maria Paula and the Virgin to create a sacred space and moment where they too can experience firsthand one of the oldest and most fundamental promises of Christianity direct contact with the divine Together visionary and witnesses negotiate and enact their monthly liturgy of revelations *Our Lady of the Rock* which features text by Lisa M Bitel and more than sixty photographs by Matt Gainer shows readers what happens in the Mojave Desert each month and tells us how two thousand years of Christian revelatory tradition prepared Maria Paula and her followers to meet in the desert Based on six years of observation and interviews chapters analyze the rituals iconographies and physical environment of Our Lady of the Rock Bitel and Gainer also provide vivid portraits of the pilgrims who they are where they come from and how they practice the traditional Christian discernment of spirits and visions *Our Lady of the Rock* follows three pilgrims as they return home with relics and proofs of visions where out of Maria Paula's sight they too have learned to see the Virgin The book also documents the public response from the Catholic Church and popular news media to Maria Paula and other contemporary visionaries Throughout *Our Lady of the Rock* locates Maria Paula and her followers in the context of recent demographic and cultural shifts in the American Southwest the astonishing increase in reported apparitions and miracles from around the world the latest developments in communications and visual technologies and the never ending debate among academics faith leaders scientists and citizen observers about sight perception reason and belief

**VOLUME II THE CREATION OF MORMONISM: JOSEPH SMITH JR. IN THE 1820S** JOHN J HAMMOND, 2011-07-27 This is Volume II of an epic multi volume work entitled *The Quest for the New Jerusalem A Mormon Generational Saga* which combines family Mormon and American history focusing upon how the author's ancestors were affected by their conversion to the Mormon religion In Volume I four of the author's ancestral families the Carters Hammonds Knowltons and Spencer's and the ancestors of Mormon Church founders Joseph Smith and Brigham Young are

followed from the time they enter the Massachusetts Bay Colony in New England in the 1600s down to the early 1800s Their private lives are described as well as how they are affected by such events and situations as King Philip s War the Salem Witch Trials the institution of black slavery the French and Indian War and the American Revolution Toward the end of Volume I the focus is upon Joseph Smith and his family including their move from Vermont to western New York their religious and magic world views the latter involving astrology ritual magic and treasure seer and treasure digging activities Volume II takes up the narrative at about the year 1820 and involves a detailed comprehensive and critical look at the events in the life of Joseph Smith Jr during the decade in which he purportedly was visited by numerous heavenly messengers received the golden plates translated the writing on the plates to produce the Book of Mormon received priesthood authority from other heavenly messengers published the Book of Mormon and organized the Mormon LDS Church Making use of the most recent historical research the author tackles the controversial issues surrounding the First Vision the supposed appearance to Joseph Jr of God the Father and his Son Jesus Christ in 1820 the Second Vision 1823 to 1827 which produced the Book of Mormon and the Third Vision late 1820s or early 1830s which involved the restoration of priesthood authority The author looks at original sources documents and also compares the perspectives of major loyal Mormon non Mormon and ex Mormon scholars on these controversial questions There is a discussion of the serious lack of congruence between how Joseph Smith Jr described these events officially after 1837 and what was being said by the Smith family their neighbors early Mormon converts and by newspaper accounts during the 1820s and early 1830s There is for example no mention of a First Vision for at least twelve years after it supposedly occurred and there are several conflicting versions of it by Joseph Jr in the 1830s once he started talking about it Primary focus however is upon what the author collectively calls the Second Vision which purportedly involved multiple visitations by an angel spirit between 1823 and 1827 It was from this heavenly messenger that Joseph Jr obtained golden plates and the Book of Mormon was he maintained a translation by him of the ancient American writings on these plates There is a thorough examination of the complex and contentious issues surrounding the origin of the Book of Mormon and several chapters look closely at the evidence regarding its authenticity the question whether it was written by Joseph Jr or by ancient American prophets scribes The author also thoroughly discusses the testimony in the Book of Mormon of the Three Witnesses and Eight Witnesses and offers an alternative narrative regarding what really transpired with Joseph Jr during the 1820s Later in Volume II several chapters look at how Mormon Church organization went through a significant evolution during its earliest years moving against the American democratic grain toward an increasingly centralized authoritarian structure There is a detailed look at Joseph Jr s claims regarding a restoration of priesthood authority during the late 1820s and early 1830s and the considerable controver
