Americans have been indoctrinated to believe that socialism is the way of the future, the only way to live a fulfilling life.

Those who have lived through socialism will tell you different.

Mr. de Varona was a child in Cuba when it was plunged into poverty and despotism under Castro. At 17, he fought in the Bay of Pigs Invasion and endured two years in prison. In this compelling presentation, he will tell you how the "cure" for capitalism is really the method by which Marxists take control, and what we need to do to stop it.

FRANK DE VARONA

Frank de Varona is a historian, author, journalist, and expert on Hispanic contributions, with degrees in political science, economics, and social studies, and certificates in Latin American Studies and Educational Administration and Supervision. Born in Cuba, he fought in the Bay of Pigs Invasion and endured two years in a communist prison as a POW. He now resides in Miami with his wife.
