**Give Us the Ballot** Ari Berman, 2015-08-04 Countless books have been written about the civil rights movement but far less attention has been paid to what happened after the dramatic passage of the Voting Rights Act VRA in 1965 and the turbulent forces it unleashed Give us the ballot tells this story for the first time Jacket **"Just Buy My Vote"** Joseph L. Simmons Jr., 2023-01-23 It is a federal and state felony to buy or sell votes or to offer to buy or sell votes yet Just Buy My Vote African American Voting Rights and the Chicago Condition is a unique story that must be told It is a story where I attempt to summarize without excruciating detail the relevant portions of nearly three centuries Just Buy My Vote is also unique in that it covers race relations black history and urban history written from the perspective of the Southside of Chicago Just Buy My Vote is intended to inform the reader about the significance of voting by explaining voting rights in layman terms with the use of the voting rights laws history philosophy and sociology It is an effort to raise the level of political consciousness among Americans to help readers to realize the history of voting rights and be encouraged to use the power of the vote to further all of our best economic and social interests Thankfully in the presidential election of 2020 we got the voting part right We now have a democracy to save Just Buy My Vote is a tale of two stories First it tells a story about how African Americans in this country attained the right to vote and utilized that power to improve their lives and the lives of many others for future generations And secondly Just Buy My Vote uses Chicago as a case study of how voting rights and voter apathy helped enable an old school political villain and his machine to maintain a system of public and governmental corruption in Chicago for two decades In my writing this book I aimed to inform on history and have also attempted to describe a journey within a journey

**Book Topics**, 2016 **Minnesota Law Review**, 2015 **Minority Rule** Ari Berman, 2024-04-23 Voting rights journalist

Ari Berman has been detailing threats to our democracy for years and his new book *Minority Rule* is a timely and essential read. He expertly shows how Republicans are trying to rig our political system and shares how we can fight back. Hillary Clinton on X: A riveting account of the decades-long effort by reactionary white conservatives to undermine democracy and entrench their power and the movement to stop them. The mob that stormed the Capitol on January 6, 2021, represented an extreme form of the central danger facing American democracy today: a blatant disregard for the will of the majority. But this crisis didn't begin or end with Donald Trump's attempt to overturn the 2020 election. Through voter suppression, election subversion, gerrymandering, dark money, the takeover of the courts, and the whitewashing of history, reactionary white conservatives have strategically entrenched power in the face of a massive demographic and political shift. Ari Berman charts these efforts with sweeping historical research and incisive on-the-ground reporting, chronicling how a wide range of antidemocratic tactics interact with profound structural inequalities in institutions like the Electoral College, the Senate, and the Supreme Court to threaten the survival of representative government in America. The will of the people, wrote Thomas Jefferson in 1801, is the only legitimate foundation of any government. But that foundation is crumbling. Some counter-majoritarian measures were deliberately built into the Constitution, which was designed in part to benefit a small, propertied upper class, but they have metastasized to a degree that the Founding Fathers could never have anticipated, undermining the very notion of a government of the people, by the people, and for the people. Chilling and revelatory, *Minority Rule* exposes the long history of the conflict between white supremacy and multiracial democracy that has reached a fever pitch today while also telling the inspiring story of resistance to these regressive efforts. *Hub and New York Coach-makers' Magazine*, 1889
