movements Furthermore each chapter addresses the unanswered questions and discusses the overlaps with other fields as well as reviewing the interdisciplinary advances so far Social Movements for Global Democracy Jackie Smith, 2008-02-04 Honorable Mention 2010 Book Award Global Division Society for the Study of Social Problems Honorable Mention 2010 PEWS Book Award Political Economy of the World System section of the American Sociological Association This groundbreaking study sheds new light on the struggle to define the course of globalization Synthesizing extensive research on transnational activism *Social Movements for Global Democracy* shows how transnational networks of social movement activists democratic globalizers have worked to promote human rights and ecological sustainability over the predominant neoliberal system of economic integration Using case studies of recent and ongoing campaigns for global justice Jackie Smith provides valuable insight into whether and how these activists are succeeding She argues that democratic globalizers could be more effective if they presented a united front organized around a global vision that places human rights and ecological stability foremost and if they were to directly engage governments and the United Nations Illuminating the deep seated struggles between two visions of globalization Smith reveals a network of activists who have long been working to democratize the global political system *Social Movements and Protest Politics* Greg Martin, 2023-12-22 This fully revised and updated edition of *Social Movements and Protest Politics* provides interdisciplinary perspectives on the sociology of protest movements It considers major theories and concepts which are presented in a clear accessible and engaging format The second edition contains new chapters on methods and ethics of social movement research and legal mobilisation protest policing and criminal justice activism including calls to abolish or defund police made at protests during the COVID 19 pandemic This edition introduces readers to the concept of the post protest society wherein the right to protest is whittled away to near vanishing point and authorities have considerable legal recourse to ban protests and render the tactics of protest movements ineffective The book also looks at recent developments and novel social movements including Black Lives Matter Extinction Rebellion Gilets Jaunes MeToo and Hong Kong s Umbrella Movement as well as the rise of contemporary forms of populism in democratic societies The book presents specific chapters outlining the early origins of social movement studies and more recent theoretical and conceptual developments It considers key ideas from resource mobilisation theory the political process model and new social movement approaches It provides extensive commentary on the role of culture in social protest including visual images emotions storytelling music and sport religious movements geography and struggles over space media and movements and global activism Historical and contemporary case studies and examples from a variety of countries are provided throughout including the American civil rights movement Greenpeace Pussy Riot Indigenous peoples movements liberation theology Indignados Occupy Tea Party and Arab Spring Each chapter also contains illustrations and boxed case studies to demonstrate the issues under discussion *Social Movements and Protest Politics* will be an indispensable resource for undergraduate and postgraduate students in the social sciences and humanities wanting to be

introduced to or extend their knowledge of the field The book will also prove useful to university teachers and academic researchers activists and practitioners interested in the study of social cultural and political protest

Defeating Authoritarian Leaders in Postcommunist Countries Valerie J. Bunce, Sharon L. Wolchik, 2011-06-30 From 1998 to 2005 six elections took place in postcommunist Europe that had the surprising outcome of empowering the opposition and defeating authoritarian incumbents or their designated successors Valerie J Bunce and Sharon L Wolchik compare these unexpected electoral breakthroughs They draw three conclusions First the opposition was victorious because of the hard and creative work of a transnational network composed of local opposition and civil society groups members of the international democracy assistance community and graduates of successful electoral challenges to authoritarian rule in other countries Second the remarkable run of these upset elections reflected the ability of this network to diffuse an ensemble of innovative electoral strategies across state boundaries Finally elections can serve as a powerful mechanism for democratic change This is especially the case when civil society is strong the transfer of political power is through constitutional means and opposition leaders win with small mandates

Transnational Agrarian Movements Confronting Globalization Saturnino M. Borras, Jr., Marc Edelman, Cristóbal Kay, 2008-11-10 Readers of this book will encounter peasants and farmers who struggle at home and traverse national borders to challenge the World Trade Organization and other powerful global institutions Here are activists in Brazil who uproot plots of genetically modified soybeans forest dwellers in Indonesia who chop down rubber plantations to cultivate rice to feed their families runaway villages in China that take up arms to resist corrupt officials and Mexican migrants who having exited in desperation return from abroad to transform their communities Little known transnational agrarian movements of the early twentieth century share the stage with more recent high profile global alliances such as V a Campesina Rather than simply celebrating a dynamic sector of international civil society the authors tackle thorny questions of successes and failures ethical and political dilemmas troubled alliances with NGOs protest repertoires and representation claims The essays in *Transnational Agrarian Movements Confronting Globalization* analyze contemporary collective action in all its complexity acknowledging ambiguities and contradictions posing challenging questions and providing concrete strategies for scholars and activists Contributors include Suraya Afiff Xochitl Bada Brenda Baletti Saturnino M Borras Jr Marc Edelman Jonathan Fox Harriet Friedmann Tamara M Johnson Crist bal Kay Kevin Malseed Philip McMichael Amber McNair Peter Newell Nancy Lee Peluso Noer Fauzi Rachman Ian Scoones Kathy Le Mons Walker and Wendy Welford

Latin American Social Movements Hank Johnston, Paul Almeida, 2006-08-11 The two current trends of democratization and deepening economic liberalization have made Latin American countries a ground for massive defensive mobilization campaigns and have created new sites of popular struggle In this edited volume on Latin American social movements original chapters are combined with peer reviewed articles from the well regarded journal *Mobilization* Each section represents a major theme in Latin American social movement research Original chapters discuss

the Madres de Plaza de Mayo movement in Argentina and the Zapatista movement in Chiapas Mexico Also included in the book s coverage of the region s major movements are los piqueteros and antisweatshop labor organizing This is the first study to focus closely on the related issues of neoliberal globalization democratization and the workings of transnational advocacy networks in Latin America

From the Revolution to the Maquiladoras Jennifer Bickham Mendez,2005 Asks how and under what circumstances grassroots organizations tap into global networks and how gender plays into transnational political practices addressing these issues through extended ethnographic research into a Nicaraguan women s organization
