Give Me Half! Stuart J. Murphy, 1996-01-01 Introduces the concept of halves using a simple rhyming story about a brother and sister who do not want to share their food **Give Me Half!** Stuart J. Murphy, 1996-03-27 Splitting things in half may seem like an easy thing to do but when two siblings and a pizza are involved things can get messy Children learn about fractions at school but fractions are also an important part of everyday life outside the classroom In this riotous book Stuart J. Murphy and G Brian Karas introduce the simplest of fractions 1 2 **Give Me Half!** Stuart J. Murphy, G. Brian Karas, 2001-02-01 The MathStart series introduces basic mathematical concepts through entertaining stories and visually stimulating illustrations In MathStart books the pictures do more than simply tell stories they teach vital numeracy skills

Mathematics in the K-8 Classroom and Library Sueanne McKinney, KaaVonia Hinton, 2010-05-11 Two experts on education offer a rich and diverse selection of children's literature and teaching strategies for the K-8 mathematics classroom Taking advantage of quality motivating literature during mathematics instruction pays off especially when teachers and media specialists work together to convey crucial mathematical concepts and standards Mathematics in the K-8 Classroom and Library shows you how it's done After an introduction to the National Council of Teachers of Mathematics's NCTM Principles and Process Standards each remaining chapter is devoted to an NCTM content standard The book offers engaging research-based strategies and booklists of specific titles that together can be used to increase student achievement The strategies suggested here provide a hands-on student-centered focus that allows students to make connections with prior learning personal experiences and good books Both the recommended children's books and the activities will appeal even to reluctant readers and students for whom mathematics might be a challenge Each chapter includes an extensive annotated list of texts dozens of hands-on activities handouts and writing prompts **Mathstart: Give Me Half!** Stuart J.

Murphy, 1996 **Leading the Common Core Initiative** Carl A. Harvey II, Linda L. Mills, 2014-11-25 Defining both the Common Core Standards and the school librarian's role in their implementation this book offers ready-to-use lesson plans and other tools for grades K-5 and identifies opportunities for collaborative teaching As elementary schools in nearly all 50 states are faced with meeting the Common Core State Standards CCSS school librarians need to understand the challenges and have lesson plans ready to help This resource introduces the CCSS in English and mathematics to K-5 librarians and aides helping them to understand the concepts analyzing the impact on the school library and providing lesson plans resources and other tools for implementation in integrated instruction with other curricula and collaborative teaching with other elementary teachers Based upon the authors' own experiences in adopting the CCSS in their school the included exemplar lesson plans and ideas are designed to support school librarians as they begin to collaborate with teachers in using the Common Core Standards in their daily classroom instruction The book also discusses the opportunities for advocacy that result from the librarian's instrumental role in implementing the CCSS both as a staff developer and a collaborative partner
